§ 1067h. Grant application

(a) Submission and contents of applications

An eligible applicant (as determined under section 1067g of this title) that desires to receive a grant under this part shall submit to the Secretary an application therefor at such time or times, in such manner, and containing such information as the Secretary may prescribe by regulation. Such application shall set forth—

(1) a program of activities for carrying out one or more of the purposes described in section 1067a(b) of this title in such detail as will enable the Secretary to determine the degree to which such program will accomplish such purpose or purposes; and

(2) such other policies, procedures, and assurances as the Secretary may require by regulation.

(b) Approval based on likelihood of progress

The Secretary shall approve an application only if the Secretary determines that the application sets forth a program of activities which are likely to make substantial progress toward achieving the purposes of this part.

§ 1067k. Definitions

For the purpose of this part—

(1) The term “accredited” means currently certified by a nationally recognized accrediting agency or making satisfactory progress toward achieving accreditation.

(2) The term “minority” means American Indian, Alaskan Native, Black (not of Hispanic origin), Hispanic (including persons of Mexican, Puerto Rican, Cuban, and Central or South American origin), Pacific Islander or other ethnic group underrepresented in science and engineering.

(3) The term “minority institution” means an institution of higher education whose enrollment of a single minority or a combination of minorities (as defined in paragraph (2)) exceeds 50 percent of the total enrollment. The Secretary shall verify this information from the data on enrollments in the higher education general information surveys (HEGIS) furnished by the institution to the Office for Civil Rights, Department of Education.

(4) The term “science” means, for the purpose of this program, the biological, engineering, mathematical, physical, behavioral, and social sciences, and history and philosophy of science; also included are interdisciplinary fields which are comprised of overlapping areas among two or more sciences.

(5) The term “underrepresented in science and engineering” means a minority group whose number of scientists and engineers per 10,000 population of that group is substantially below the comparable figure for scientists and engineers who are white and not of Hispanic origin.

(6) The term “institutional grant” means a grant that supports the implementation of a comprehensive science improvement plan, which may include any combination of activities for improving the preparation of minority students for careers in science.

(7) The term “cooperative grant” means a grant that assists groups of nonprofit accredited colleges and universities to work together to conduct a science improvement program.

(8) The term “design projects” means projects that assist minority institutions that do not have their own appropriate resources or personnel to plan and develop long-range science improvement programs.

(9) The term “special projects” means—

(A) a special project grant to a minority institution which supports activities that—

(i) improve the quality of training in science and engineering at minority institutions; or

(ii) enhance the minority institutions’ general scientific research capabilities; or

(B) a special project grant to any eligible applicant which supports activities that—

(i) provide a needed service to a group of eligible minority institutions; or

(ii) provide in-service training for project directors, scientists, and engineers from eligible minority institutions.
