Such obligations shall have maturities agreed upon by the Board and the Secretary of the Treasury but not in excess of fifty years. Such obligations may be redeemable at the option of the Board before maturity in such manner as may be stipulated in such obligations, but the obligations thus redeemed shall not be refinanced by the Board. The Secretary of the Treasury is authorized and directed to purchase any obligations of the Board to be issued under this section and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31 and the purposes for which securities may be issued under chapter 31 of title 31 are extended to include any purchases of the Board's obligations under this section.

The Board shall pay into the Fund, beginning on January 1, 1987 and ending on January 1, 2016, the annual sum of \$200,000 in amortization of the principal amount of the obligations. Such sums shall be invested by the Secretary of the Treasury in public debt securities with maturities suitable for the needs of the Fund and bearing interest at rates determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities. The interest on such investments shall be credited to and form a part of the Fund. Moneys in the Fund shall be used exclusively to retire the obligations of the Board incurred under subsection (a) of this section. Adjustments of not greater than plus or minus 5 per centum may be made from time to time in

the annual payments to the Fund in order to correct any gains or deficiencies as a result of fluctuations in interest rates over the life of the investments: *Provided, however*, That a final adjustment shall be made between the Board and the Secretary of the Treasury at the end of the amortization period to correct any overall gain or deficiency in the Fund. The terms of this adjustment shall be covered by a memorandum of understanding between the Board and the Secretary of the Treasury to be consummated on or before the time the initial payment into the Fund is made.
