

needs of children and youth, the Statistics Commissioner shall—

(A) provide technical assistance to the Department offices that gather data for statistical purposes; and

(B) coordinate with other Department offices in the collection of data.

**(c) Duration**

Notwithstanding any other provision of law, the grants, contracts, and cooperative agreements under this section may be awarded, on a competitive basis, for a period of not more than 5 years, and may be renewed at the discretion of the Statistics Commissioner for an additional period of not more than 5 years.

(Pub. L. 107-279, title I, §154, Nov. 5, 2002, 116 Stat. 1960.)

**§ 9545. Reports**

**(a) Procedures for issuance of reports**

The Statistics Commissioner,<sup>1</sup> shall establish procedures, in accordance with section 9576 of this title, to ensure that the reports issued under this section are relevant, of high quality, useful to customers, subject to rigorous peer review, produced in a timely fashion, and free from any partisan political influence.

**(b) Report on condition and progress of education**

Not later than June 1, 2003, and each June 1 thereafter, the Statistics Commissioner,<sup>1</sup> shall submit to the President and the appropriate congressional committees a statistical report on the condition and progress of education in the United States.

**(c) Statistical reports**

The Statistics Commissioner shall issue regular and, as necessary, special statistical reports on education topics, particularly in the core academic areas of reading, mathematics, and science, consistent with the priorities and the mission of the Statistics Center.

(Pub. L. 107-279, title I, §155, Nov. 5, 2002, 116 Stat. 1960.)

**§ 9546. Dissemination**

**(a) General requests**

**(1) In general**

The Statistics Center may furnish transcripts or copies of tables and other statistical records and make special statistical compilations and surveys for State and local officials, public and private organizations, and individuals.

**(2) Compilations**

The Statistics Center shall provide State educational agencies, local educational agencies, and institutions of higher education with opportunities to suggest the establishment of particular compilations of statistics, surveys, and analyses that will assist those educational agencies.

**(b) Congressional requests**

The Statistics Center shall furnish such special statistical compilations and surveys as the relevant congressional committees may request.

<sup>1</sup> So in original. The comma probably should not appear.

**(c) Joint statistical projects**

The Statistics Center may engage in joint statistical projects related to the mission of the Center, or other statistical purposes authorized by law, with nonprofit organizations or agencies, and the cost of such projects shall be shared equitably as determined by the Secretary.

**(d) Fees**

**(1) In general**

Statistical compilations and surveys under this section, other than those carried out pursuant to subsections (b) and (c) of this section, may be made subject to the payment of the actual or estimated cost of such work.

**(2) Funds received**

All funds received in payment for work or services described in this subsection may be used to pay directly the costs of such work or services, to repay appropriations that initially bore all or part of such costs, or to refund excess sums when necessary.

**(e) Access**

**(1) Other agencies**

The Statistics Center shall, consistent with section 9573 of this title, cooperate with other Federal agencies having a need for educational data in providing access to educational data received by the Statistics Center.

**(2) Interested parties**

The Statistics Center shall, in accordance with such terms and conditions as the Center may prescribe, provide all interested parties, including public and private agencies, parents, and other individuals, direct access, in the most appropriate form (including, where possible, electronically), to data collected by the Statistics Center for the purposes of research and acquiring statistical information.

PART D—NATIONAL CENTER FOR EDUCATION  
EVALUATION AND REGIONAL ASSISTANCE

**§ 9561. Establishment**

**(a) Establishment**

There is established in the Institute a National Center for Education Evaluation and Regional Assistance.

**(b) Mission**

The mission of the National Center for Education Evaluation and Regional Assistance shall be—

(1) to provide technical assistance;

(2) to conduct evaluations of Federal education programs administered by the Secretary (and as time and resources allow, other education programs) to determine the impact of such programs (especially on student academic achievement in the core academic areas of reading, mathematics, and science);

(3) to support synthesis and wide dissemination of results of evaluation, research, and products developed; and

(4) to encourage the use of scientifically valid education research and evaluation throughout the United States.

**(c) Grants, contracts, and cooperative agreements**

In carrying out the duties under this part, the Director may award grants, enter into contracts and cooperative agreements, and provide technical assistance.

(Pub. L. 107-279, title I, §171, Nov. 5, 2002, 116 Stat. 1962.)

**§ 9562. Commissioner for Education Evaluation and Regional Assistance**

**(a) In general**

The National Center for Education Evaluation and Regional Assistance shall be headed by a Commissioner for Education Evaluation and Regional Assistance (in this part referred to as the “Evaluation and Regional Assistance Commissioner”) who is highly qualified and has demonstrated a capacity to carry out the mission of the Center and shall—

(1) conduct evaluations pursuant to section 9563 of this title;

(2) widely disseminate information on scientifically valid research, statistics, and evaluation on education, particularly to State educational agencies and local educational agencies, to institutions of higher education, to the public, the media, voluntary organizations, professional associations, and other constituencies, especially with respect to information relating to, at a minimum—

(A) the core academic areas of reading, mathematics, and science;

(B) closing the achievement gap between high-performing students and low-performing students;

(C) educational practices that improve academic achievement and promote learning;

(D) education technology, including software; and

(E) those topics covered by the Educational Resources Information Center

Clearinghouses (established under section 941(f) of the Educational Research, Development, Dissemination, and Improvement Act of 1994 (20 U.S.C. 6041(f)) (as such provision was in effect on the day before November 5, 2002);

(3) make such information accessible in a user-friendly, timely, and efficient manner (including through use of a searchable Internet-based online database that shall include all topics covered in paragraph (2)(E)) to schools, institutions of higher education, educators (including early childhood educators), parents, administrators, policymakers, researchers, public and private entities (including providers of early childhood services), entities responsible for carrying out technical assistance through the Department, and the general public;

(4) support the regional educational laboratories in conducting applied research, the development and dissemination of educational research, products and processes, the provision of technical assistance, and other activities to serve the educational needs of such laboratories’ regions;

(5) manage the National Library of Education described in subsection (d) of this section, and other sources of digital information on education research;

(6) assist the Director in the preparation of a biennial report, described in section 9519 of this title; and

(7) award a contract for a prekindergarten through grade 12 mathematics and science teacher clearinghouse.

**(b) Additional duties**

In carrying out subsection (a) of this section, the Evaluation and Regional Assistance Commissioner shall—

(1) ensure that information disseminated under this section is provided in a cost-effective, nonduplicative manner that includes the most current research findings, which may include through the continuation of individual clearinghouses authorized under the Educational Research, Development, Dissemination, and Improvement Act of 1994 (title IX of the Goals 2000: Educate America Act; 20 U.S.C. 6001 et seq.) (as such Act existed on the day before November 5, 2002);

(2) describe prominently the type of scientific evidence that is used to support the findings that are disseminated;

(3) explain clearly the scientifically appropriate and inappropriate uses of—

(A) the findings that are disseminated; and

(B) the types of evidence used to support those findings; and

(4) respond, as appropriate, to inquiries from schools, educators, parents, administrators, policymakers, researchers, public and private entities, and entities responsible for carrying out technical assistance.

**(c) Continuation**

The Director shall continue awards for the support of the Educational Resources Information Center Clearinghouses and contracts for regional educational laboratories (established
