

PART D—NATIONAL CENTER FOR EDUCATION
EVALUATION AND REGIONAL ASSISTANCE

§ 9561. Establishment

(a) Establishment

There is established in the Institute a National Center for Education Evaluation and Regional Assistance.

(b) Mission

The mission of the National Center for Education Evaluation and Regional Assistance shall be—

(1) to provide technical assistance;

(2) to conduct evaluations of Federal education programs administered by the Secretary (and as time and resources allow, other education programs) to determine the impact of such programs (especially on student academic achievement in the core academic areas of reading, mathematics, and science);

(3) to support synthesis and wide dissemination of results of evaluation, research, and products developed; and

(4) to encourage the use of scientifically valid education research and evaluation throughout the United States.

(c) Grants, contracts, and cooperative agreements

In carrying out the duties under this part, the Director may award grants, enter into contracts and cooperative agreements, and provide technical assistance.

§ 9562. Commissioner for Education Evaluation and Regional Assistance

(a) In general

The National Center for Education Evaluation and Regional Assistance shall be headed by a Commissioner for Education Evaluation and Regional Assistance (in this part referred to as the “Evaluation and Regional Assistance Commissioner”) who is highly qualified and has demonstrated a capacity to carry out the mission of the Center and shall—

(1) conduct evaluations pursuant to section 9563 of this title;

(2) widely disseminate information on scientifically valid research, statistics, and evaluation on education, particularly to State educational agencies and local educational agencies, to institutions of higher education, to the public, the media, voluntary organizations, professional associations, and other constituencies, especially with respect to information relating to, at a minimum—

(A) the core academic areas of reading, mathematics, and science;

(B) closing the achievement gap between high-performing students and low-performing students;

(C) educational practices that improve academic achievement and promote learning;

(D) education technology, including software; and

(E) those topics covered by the Educational Resources Information Center

Clearinghouses (established under section 941(f) of the Educational Research, Development, Dissemination, and Improvement Act of 1994 (20 U.S.C. 6041(f)) (as such provision was in effect on the day before November 5, 2002);

(3) make such information accessible in a user-friendly, timely, and efficient manner (including through use of a searchable Internet-based online database that shall include all topics covered in paragraph (2)(E)) to schools, institutions of higher education, educators (including early childhood educators), parents, administrators, policymakers, researchers, public and private entities (including providers of early childhood services), entities responsible for carrying out technical assistance through the Department, and the general public;

(4) support the regional educational laboratories in conducting applied research, the development and dissemination of educational research, products and processes, the provision of technical assistance, and other activities to serve the educational needs of such laboratories’ regions;

(5) manage the National Library of Education described in subsection (d) of this section, and other sources of digital information on education research;

(6) assist the Director in the preparation of a biennial report, described in section 9519 of this title; and

(7) award a contract for a prekindergarten through grade 12 mathematics and science teacher clearinghouse.

(b) Additional duties

In carrying out subsection (a) of this section, the Evaluation and Regional Assistance Commissioner shall—

(1) ensure that information disseminated under this section is provided in a cost-effective, nonduplicative manner that includes the most current research findings, which may include through the continuation of individual clearinghouses authorized under the Educational Research, Development, Dissemination, and Improvement Act of 1994 (title IX of the Goals 2000: Educate America Act; 20 U.S.C. 6001 et seq.) (as such Act existed on the day before November 5, 2002);

(2) describe prominently the type of scientific evidence that is used to support the findings that are disseminated;

(3) explain clearly the scientifically appropriate and inappropriate uses of—

(A) the findings that are disseminated; and

(B) the types of evidence used to support those findings; and

(4) respond, as appropriate, to inquiries from schools, educators, parents, administrators, policymakers, researchers, public and private entities, and entities responsible for carrying out technical assistance.

(c) Continuation

The Director shall continue awards for the support of the Educational Resources Information Center Clearinghouses and contracts for regional educational laboratories (established
