

§ 9578. Scientific or technical employees**(a) In general**

The Director may appoint, for terms not to exceed 6 years (without regard to the provisions of title 5 governing appointment in the competitive service) and may compensate (without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates) such scientific or technical employees to carry out the functions of the Institute or the office, board, committee, or center, respectively, if—

(1) at least 30 days prior to the appointment of any such employee, public notice is given of the availability of such position and an opportunity is provided for qualified individuals to apply and compete for such position;

(2) the rate of basic pay for such employees does not exceed the maximum rate of basic pay payable for positions at GS-15, as determined in accordance with section 5376 of title 5, except that not more than 7 individuals appointed under this section may be paid at a rate that does not exceed the rate of basic pay for level III of the Executive Schedule;

(3) the appointment of such employee is necessary (as determined by the Director on the basis of clear and convincing evidence) to provide the Institute or the office, board, committee, or center with scientific or technical expertise which could not otherwise be obtained by the Institute or the office, board, committee, or center through the competitive service; and

(4) the total number of such employees does not exceed 40 individuals or 1/5 of the number of full-time, regular scientific or professional employees of the Institute, whichever is greater.

(b) Duties of employees

All employees described in subsection (a) of this section shall work on activities of the Institute or the office, board, committee, or center, and shall not be reassigned to other duties outside the Institute or the office, board, committee, or center during their term.

SUBCHAPTER II—EDUCATIONAL
TECHNICAL ASSISTANCE

§ 9601. Definitions

In this subchapter:

(1) In general

The terms “local educational agency” and “State educational agency” have the meanings given those terms in section 7801 of this title.

(2) Secretary

The term “Secretary” means the Secretary of Education.

(Pub. L. 107-279, title II, §202, Nov. 5, 2002, 116 Stat. 1975.)

SHORT TITLE

This subchapter known as the “Educational Technical Assistance Act of 2002”, see Short Title note set out under section 9501 of this title.

§ 9602. Comprehensive centers**(a) Authorization****(1) In general**

Subject to paragraph (2), beginning in fiscal year 2004, the Secretary is authorized to award not less than 20 grants to local entities, or consortia of such entities, with demonstrated expertise in providing technical assistance and professional development in reading, mathematics, science, and technology, especially to

low-performing schools and districts, to establish comprehensive centers.

(2) Regions

In awarding grants under paragraph (1), the Secretary—

(A) shall ensure that not less than 1 comprehensive center is established in each of the 10 geographic regions served by the regional educational laboratories established under section 941(h) of the Educational Research, Development, Dissemination, and Improvement Act of 1994 (as such provision existed on the day before November 5, 2002); and

(B) after meeting the requirements of subparagraph (A), shall consider, in awarding the remainder of the grants, the school-age population, proportion of economically disadvantaged students, the increased cost burdens of service delivery in areas of sparse population, and the number of schools identified for school improvement (as described in section 1116(b) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6316(b))¹ in the population served by the local entity or consortium of such entities.

(b) Eligible applicants**(1) In general**

Grants under this section may be made with research organizations, institutions, agencies, institutions of higher education, or partnerships among such entities, or individuals, with the demonstrated ability or capacity to carry out the activities described in subsection (f) of this section, including regional entities that carried out activities under the Educational Research, Development, Dissemination, and Improvement Act of 1994 (as such Act existed on the day before November 5, 2002) and title XIII of the Elementary and Secondary Education Act of 1965 (as such title existed on the day before January 8, 2002).

(2) Outreach

In conducting competitions for grants under this section, the Secretary shall actively encourage potential applicants to compete for such awards by making widely available information and technical assistance relating to the competition.

(3) Objectives and indicators

Before awarding a grant under this section, the Secretary shall design specific objectives and measurable indicators, using the results of the assessment conducted under section 9605 of this title, to be used to assess the particular programs or initiatives, and ongoing progress and performance, of the regional entities, in order to ensure that the educational needs of the region are being met and that the latest and best research and proven practices are being carried out as part of school improvement efforts.

(c) Application**(1) Submission**

Each local entity, or consortium of such entities, seeking a grant under this section shall
