FINDINGS

Pub. L. 111-202, §1, July 13, 2010, 124 Stat. 1373, provided that: “Congress finds the following:

“(1) Radio Free Asia (referred to in this Act [amending this section] as ‘RFA’)—

“(A) was authorized under section 309 of the United States International Broadcasting Act of 1994 (22 U.S.C. 6208);

“(B) was incorporated as a private, non-profit corporation in March 1996 in the hope that its operations would soon be obviated by the global advancement of democracy; and

“(C) is headquartered in Washington, DC, with additional offices in Bangkok, Hong Kong, Phnom Penh, Seoul, Ankara, and Taipei.

“(2) RFA broadcasts serve as substitutes for indigenous free media in regions lacking free media outlets.

“(3) The mission of RFA is ‘to provide accurate and timely news and information to Asian countries whose governments prohibit access to a free press’ in order to enable informed decisionmaking by the people within Asia.

“(4) RFA provides daily broadcasts of news, commentary, analysis, and cultural programming to Asian countries in several languages, including—

“(A) 12 hours per day in Mandarin;

“(B) 8 hours per day in 3 Tibetan dialects, Uke, Kham, and Amdo;

“(C) 4 hours per day in Korean and Burmese;

“(D) 2 hours per day in Cantonese, Vietnamese, Laotian, Khmer (Cambodian), and Uyghur; and

“(E) 1½ hours per week in Wu (local Shanghai dialect).

“(5) The governments of the countries targeted for these broadcasts have consistently denied and blocked attempts at Medium Wave and FM transmissions into their countries, forcing RFA to rely on Shortwave broadcasts and the Internet.

“(6) RFA has provided continuous online news to its Asian audiences since 2004, although some countries—

“(A) routinely and aggressively block RFA’s website;

“(B) monitor access to RFA’s website; and

“(C) discourage online users by making it illegal to access RFA’s website.

“(7) Despite these attempts, RFA has successfully managed to reach its online audiences through proxies, cutting-edge software, and active republication and repostings by its audience.

“(8) RFA also provides forums for local opinions and experiences through message boards, podcasts, web logs (blogs), cell phone-distributed newscasts, and new media, including Facebook, Flickr, Twitter, and YouTube.

“(9) Freedom House has documented that freedom of the press is in decline in nearly every region of the

world, particularly in Asia, where none of the countries served by RFA have increased their freedom of the press during the past 5 years.

“(10) In fiscal year 2010, RFA is operating on a \$37,000,000 budget, less than \$400,000 of which is available to fund Internet censorship circumvention.

“(11) Congress currently provides grant funding for RFA’s operations on a fiscal year basis.”

§ 6209. Repealed. Pub. L. 105-277, div. G, subdiv. A, title XIII, §1323(l)(2), Oct. 21, 1998, 112 Stat. 2681-780

Section, Pub. L. 103-236, title III, §310, Apr. 30, 1994, 108 Stat. 442, related to transition of transfer of functions from Board for International Broadcasting to United States Information Agency, Board, or Bureau.

EFFECTIVE DATE OF REPEAL

Repeal effective Oct. 1, 1999, see section 1301 of Pub. L. 105-277, set out as an Effective Date note under section 6531 of this title.

§ 6210. Preservation of American jobs

It is the sense of the Congress that the Director of the United States Information Agency and the Chairman of the Board for International Broadcasting should, in developing the plan for consolidation and reorganization of overseas international broadcasting services, limit, to the maximum extent feasible, consistent with the purposes of the consolidation, elimination of any United States-based positions and should affirmatively seek to transfer as many positions as possible to the United States.

(Pub. L. 103-236, title III, §311, Apr. 30, 1994, 108 Stat. 444.)

TRANSFER OF FUNCTIONS

United States Information Agency (other than Broadcasting Board of Governors and International Broadcasting Bureau) abolished and functions transferred to Secretary of State, see sections 6531 and 6532 of this title.

§ 6211. The continuing mission of Radio Free Europe and Radio Liberty broadcasts

It is the sense of Congress that Radio Free Europe and Radio Liberty should continue to broadcast to the peoples of Central Europe, Eurasia, and the Persian Gulf until such time as—

(1) a particular nation has clearly demonstrated the successful establishment and consolidation of democratic rule; and

(2) its domestic media which provide balanced, accurate, and comprehensive news and information, is firmly established and widely accessible to the national audience, thus making redundant broadcasts by Radio Free Europe or Radio Liberty.

At such time as a particular nation meets both of these conditions, RFE/RL should phase out broadcasting to that nation.

(Pub. L. 103-236, title III, §312, Apr. 30, 1994, 108 Stat. 444; Pub. L. 106-113, §1000(a)(7) [div. A, title V, §503], Nov. 29, 1999, 113 Stat. 1536, 1501A-451.)

AMENDMENTS

1999—Pub. L. 106-113 amended section catchline and text generally, substituting present provisions for provisions which set forth sense of Congress that funding of Radio Free Europe and Radio Liberty be privatized

not later than Dec. 31, 1999, directed President to submit analysis and recommendation for achieving this objective with his annual budget submission, and directed Board for International Broadcasting to submit to appropriate congressional committees not later than 120 days after Apr. 30, 1994, report on steps being taken to transfer RFE/RL Research Institute, and periodic progress reports until such transfer would be achieved.

PROGRAMMING TO UKRAINE AND NEIGHBORING REGIONS:
FINDINGS AND DECLARATIONS

Pub. L. 113–96, § 1, Apr. 3, 2014, 128 Stat. 1098, provided that:

“(a) Congress finds and declares the following:

“(1) The Russian Government has deliberately blocked the Ukrainian people’s access to uncensored sources of information and has provided alternative news and information that is both inaccurate and inflammatory;

“(2) United States international programming exists to advance the United States interests and values by presenting accurate and comprehensive news and information, which is the foundation for democratic governance;

“(3) The opinions and views of the Ukrainian people, especially those people located in the eastern regions and Crimea, are not being accurately represented in Russian dominated mass media;

“(4) Russian forces have seized more than five television stations in Crimea and taken over transmissions, switching to a 24/7 Russian propaganda format; this increase in programming augments the already robust pro-Russian programming to Ukraine;

“(5) United States international programming has the potential to combat this anti-democratic propaganda.

“(b) PROGRAMMING.—Radio Free Europe/Radio Liberty (RFE/RL), Incorporated, and the Voice of America service to Ukraine and neighboring regions shall—

“(1) provide news and information that is accessible, credible, and accurate;

“(2) emphasize investigative and analytical journalism to highlight inconsistencies and misinformation provided by Russian or pro-Russian media outlets;

“(3) prioritize programming to areas where access to uncensored sources of information is limited or non-existent, especially populations serviced by Russian supported media outlets;

“(4) increase the number of reporters and organizational presence in eastern Ukraine, especially in Crimea;

“(5) promote democratic processes, respect for human rights, freedom of the press, and territorial sovereignty; and

“(6) take necessary preparatory steps to continue and increase programming and content that promotes democracy and government transparency in Russia.

“(c) PROGRAMMING SURGE.—RFE/RL, Incorporated, and Voice of America programming to Ukraine and neighboring regions shall—

“(1) prioritize programming to eastern Ukraine, including Crimea, and Moldova, and to ethnic and linguistic Russian populations, as well as to Tatar minorities;

“(2) prioritize news and information that directly contributes to the target audiences’ understanding of political and economic developments in Ukraine and Moldova, including countering misinformation that may originate from other news outlets, especially Russian supported news outlets;

“(3) provide programming content 24 hours a day, seven days a week to target populations, using all available and effective distribution outlets, including—

“(A) at least 8 weekly hours of total original television and video content in Ukrainian, Russian, and Tatar languages, not inclusive of live video streaming coverage of breaking news, to be distributed on satellite, digital, and through regional television affiliates by the Voice of America; and

“(B) at least 14 weekly hours the total audio content in Ukrainian, Russian, and Tatar languages to be distributed on satellite, digital, and through regional radio affiliates of RFE/RL, Incorporated;

“(4) expand the use, audience, and audience engagement of mobile news and multimedia platforms by RFE/RL, Incorporated, and the Voice of America, including through Internet-based social networking platforms; and

“(5) partner with private sector broadcasters and affiliates to seek and start co-production for new, original content, when possible, to increase distribution.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated for fiscal year 2014, in addition to funds otherwise made available for such purposes, up to \$10,000,000 to carry out programming in the Ukrainian, Balkan, Russian, and Tatar language services of RFE/RL, Incorporated, and the Voice of America, for the purpose of bolstering existing United States programming to the people of Ukraine and neighboring regions, and increasing programming capacity and jamming circumvention technology to overcome any disruptions to service.

“(e) REPORT.—Not later than 15 days after the date of the enactment of this Act [Apr. 3, 2014], the Broadcasting Board of Governors shall submit to the Committees on Foreign Affairs and Appropriations of the House of Representatives and the Committees on Foreign Relations and Appropriations of the Senate a detailed report on plans to increase broadcasts pursuant to subsections (a) and (b).”

§ 6212. Requirement for authorization of appropriations

(a) Limitation on obligation and expenditure of funds

Notwithstanding any other provision of law, for the fiscal year 1994 and for each subsequent fiscal year, any funds appropriated for the purposes of broadcasting subject to supervision of the Board shall not be available for obligation or expenditure—

(1) unless such funds are appropriated pursuant to an authorization of appropriations; or

(2) in excess of the authorized level of appropriations.

(b) Subsequent authorization

The limitation under subsection (a) shall not apply to the extent that an authorization of appropriations is enacted after such funds are appropriated.

(c) Application

The provisions of this section—

(1) may not be superseded, except by a provision of law which specifically repeals, modifies, or supersedes the provisions of this section; and

(2) shall not apply to, or affect in any manner, permanent appropriations, trust funds, and other similar accounts which are authorized by law and administered under or pursuant to this chapter.
