It is the sense of Congress that the Director of the Office to Monitor and Combat Trafficking of the Department of State should intensify the focus of the Office on forced labor in the countries described in paragraph (1) and other countries in which forced labor continues to be a serious human rights concern.

**(3) Information sharing**

The Secretary of State shall, on a regular basis, provide information relating to child labor and forced labor in the production of goods in violation of international standards to the Department of Labor to be used in developing the list described in subsection (b)(2)(C).
