

(5) Selection of subgrant recipients

In awarding subgrants under this subsection, the organization should—

(A) consider applicants from a range of health care settings, program approaches, and geographic locations; and

(B) if appropriate, award not less than 1 grant to an applicant to fund a national system of health care delivery to HIV positive families.

(6) Use of subgrant funds

An eligible entity awarded a subgrant under this subsection shall use subgrant funds to expand activities to prevent mother-to-child transmission of HIV by providing medical treatment and care and support services to parents and their children, which may include—

(A) providing treatment and therapy, when medically indicated, to HIV-infected women, their children, and families;

(B) the hiring and training of local personnel, including physicians, nurses, other health care providers, counselors, social workers, outreach personnel, laboratory technicians, data managers, and administrative support personnel;

(C) paying laboratory costs, including costs related to necessary equipment and diagnostic testing and monitoring (including rapid testing), complete blood counts, standard chemistries, and liver function testing for infants, children, and parents, and costs related to the purchase of necessary laboratory equipment;

(D) purchasing pharmaceuticals for HIV-related conditions, including antiretroviral therapies;

(E) funding support services, including adherence and psychosocial support services;

(F) operational support activities; and

(G) conducting community outreach and capacity building activities, including activities to raise the awareness of individuals of the program carried out by the subgrantee, other communications activities in support of the program, local advisory board functions, and transportation necessary to ensure program participation.

(d) Reports

The President shall require that each organization awarded a grant under subsection (b)(1) to submit an annual report that includes—

(1) the progress of programs funded under this section;

(2) the benchmarks of success of programs funded under this section; and

(3) recommendations of how best to proceed with the programs funded under this section upon the expiration of funding under subsection (e).

(e) Funding

There are authorized to be appropriated to the President, from amounts authorized to be appropriated under section 7671 of this title, such sums as may be necessary for each of the fiscal years 2004 through 2008 to carry out the program.

(f) Limitation on administrative expenses

An organization shall ensure that not more than 7 percent of the amount of a grant received under this section by the organization is used for administrative expenses.

AMENDMENTS

2008—Subsec. (a). Pub. L. 110-293 substituted “\$48,000,000,000 for the 5-year period beginning on October 1, 2008” for “\$3,000,000,000 for each of the fiscal years 2004 through 2008”.

§ 7672. Sense of Congress**(a) Increase in HIV/AIDS antiretroviral treatment**

It is a sense of the Congress that an urgent priority of United States assistance programs to fight HIV/AIDS should be the rapid increase in distribution of antiretroviral treatment so that—

(1) by the end of fiscal year 2004, at least 500,000 individuals with HIV/AIDS are receiving antiretroviral treatment through United States assistance programs;

(2) by the end of fiscal year 2005, at least 1,000,000 such individuals are receiving such treatment; and

(3) by the end of fiscal year 2006, at least 2,000,000 such individuals are receiving such treatment.

(b) Effective distribution of HIV/AIDS funds

It is the sense of Congress that, of the amounts appropriated pursuant to the author-
