(Mar. 22, 1906, ch. 1127, §1, 34 Stat. 83.)

§ 152. Name; control, rules and regulations

Said reserve shall be known as the Battle Mountain Sanitarium Reserve, and shall be under the exclusive control of the Secretary of Veterans Affairs in connection with the Battle Mountain Sanitarium at Hot Springs, South Dakota, whose duty it shall be to prescribe such rules and regulations and establish such service as the Secretary may consider necessary for the care and management of the same.

In all cases of unperfected bona fide claims lying within the said boundaries of said reserve, which claims have been properly initiated prior to September 2, 1902, said claims may be perfected upon compliance with the requirements

of the laws respecting settlement, residence, improvements, and so forth, in the same manner in all respects as claims are perfected to other Government lands: *Provided*, That to the extent that the lands within said reserve are held in private ownership the Secretary of the Interior is authorized in his discretion to exchange therefor public lands of like area and value, which are surveyed, vacant, unappropriated, not mineral, not timbered, and not required for reservoir sites or other public uses or purposes.
