

(d) Grants for studies**(1) In general**

The Secretary may make grants to Indian tribes, tribal organizations, Indian organizations, and eligible intertribal consortia to conduct epidemiological studies of Indian communities.

(2) Eligible intertribal consortia

An intertribal consortium or Indian organization shall be eligible to receive a grant under this subsection if the intertribal consortium is—

(A) incorporated for the primary purpose of improving Indian health; and

(B) representative of the Indian tribes or urban Indian communities residing in the area in which the intertribal consortium is located.

(3) Applications

An application for a grant under this subsection shall be submitted in such manner and at such time as the Secretary shall prescribe.

(4) Requirements

An applicant for a grant under this subsection shall—

(A) demonstrate the technical, administrative, and financial expertise necessary to carry out the functions described in paragraph (5);

(B) consult and cooperate with providers of related health and social services in order to avoid duplication of existing services; and

(C) demonstrate cooperation from Indian tribes or urban Indian organizations in the area to be served.

(5) Use of funds

A grant provided under paragraph (1) may be used—

(A) to carry out the functions described in subsection (b);

(B) to provide information to, and consult with, tribal leaders, urban Indian community leaders, and related health staff regarding health care and health service management issues; and

(C) in collaboration with Indian tribes, tribal organizations, and urban Indian organizations, to provide to the Service information regarding ways to improve the health status of Indians.

(e) Access to information**(1) In general**

An epidemiology center operated by a grantee pursuant to a grant awarded under subsection (d) shall be treated as a public health authority (as defined in section 164.501 of title 45, Code of Federal Regulations (or a successor regulation)) for purposes of the Health Insurance Portability and Accountability Act of 1996 (Public Law 104-191; 110 Stat. 1936).

(2) Access to information

The Secretary shall grant to each epidemiology center described in paragraph (1) access to use of the data, data sets, monitoring systems, delivery systems, and other protected health information in the possession of the Secretary.

(3) Requirement

The activities of an epidemiology center described in paragraph (1) shall be for the purposes of research and for preventing and controlling disease, injury, or disability (as those activities are described in section 164.512 of title 45, Code of Federal Regulations (or a successor regulation)), for purposes of the Health Insurance Portability and Accountability Act of 1996 (Public Law 104-191; 110 Stat. 1936).
