**(b) Limitations**

A consent dividend shall not include—

**(c) Effect of consent**

The amount of a consent dividend shall be considered, for purposes of this title—

**(d) Consent dividends and other distributions**

If a distribution by a corporation consists in part of consent dividends and in part of money or other property, the entire amount specified in the consents and the amount of such money or other property shall be considered together for purposes of applying this title.

**(e) Nonresident aliens and foreign corporations**

In the case of a consent dividend which, if paid in money would be subject to the provisions of section 1441 (relating to withholding of tax on nonresident aliens) or section 1442 (relating to withholding of tax on foreign corporations), this section shall not apply unless the consent is accompanied by money, or such other medium of payment as the Secretary may by regulations authorize, in an amount equal to the amount that would be required to be deducted and withheld under sections 1441 or 1442 if the consent dividend had been, on the last day of the taxable year of the corporation, paid to the shareholder in money as a dividend. The amount accompanying the consent shall be credited against the tax imposed by this subtitle on the shareholder.
