

garnishee to appear before the court to answer the writ and to so withhold property before the appearance date. If the garnishee fails to appear, or appears and fails to show good cause why the garnishee failed to comply with the writ, the court shall enter judgment against the garnishee for the value of the judgment debtor's nonexempt interest in such property (including nonexempt disposable earnings). The court may award a reasonable attorney's fee to the United States and against the garnishee if the writ is not answered within the time specified therein and a petition requiring the garnishee to appear is filed as provided in this section.

(7) DISPOSITION ORDER.—After the garnishee files an answer and if no hearing is requested within the required time period, the court shall promptly enter an order directing the garnishee as to the disposition of the judgment debtor's nonexempt interest in such property. If a hearing is timely requested, the order shall be entered within 5 days after the hearing, or as soon thereafter as is practicable.

(8) PRIORITIES.—Judicial orders and garnishments for the support of a person shall have priority over a writ of garnishment issued under this section. As to any other writ of garnishment or levy, a garnishment issued under this section shall have priority over writs which are issued later in time.

(9) ACCOUNTING.—(A) While a writ of garnishment is in effect under this section, the United States shall give an annual accounting on the garnishment to the judgment debtor and the garnishee.

(B) Within 10 days after the garnishment terminates, the United States shall give a cumulative written accounting to the judgment debtor and garnishee of all property it receives under a writ of garnishment. Within 10 days after such accounting is received, the judgment debtor or garnishee may file a written objection to the accounting and a request for hearing. The party objecting shall state grounds for the objection. The court shall hold a hearing on the objection within 10 days after the court receives the request for a hearing, or as soon thereafter as is practicable.

(10) TERMINATION OF GARNISHMENT.—A garnishment under this chapter is terminated only by—

(A) a court order quashing the writ of garnishment;

(B) exhaustion of property in the possession,¹ custody, or control of the garnishee in which the debtor has a substantial nonexempt interest (including nonexempt disposable earnings), unless the garnishee reinstates or reemploys the judgment debtor within 90 days after the judgment debtor's dismissal or resignation; or

(C) satisfaction of the debt with respect to which the writ is issued.

§ 3206. Discharge

A person who pursuant to an execution or order issued under this chapter by a court pays or delivers to the United States, a United States marshal, or a receiver, money or other personal property in which a judgment debtor has or will have an interest, or so pays a debt such person owes the judgment debtor, is discharged from such debt to the judgment debtor to the extent of the payment or delivery.
