§ 2404. Administration

(a) The Secretary is authorized to make all rules and regulations which are necessary or appropriate to carry out the provisions of this chapter, and may designate those cemeteries which are considered to be national cemeteries.

(b) In conjunction with the development and administration of cemeteries for which the Secretary is responsible, the Secretary shall provide all necessary facilities including, as necessary, superintendents' lodges, chapels, crypts, mausoleums, and columbaria.

(c)(1) Subject to paragraph (2), each grave in a national cemetery shall be marked with an appropriate marker. Such marker shall bear the name of the person buried, the number of the grave, and such other information as the Secretary shall by regulation prescribe.

(2) The grave markers referred to in paragraph (1) shall be upright for interments that occur on or after January 1, 1987, except that—

(A) in the case of any cemetery scheduled to be closed by September 30, 1991, as indicated in the documents submitted by the Administrator of Veterans' Affairs to the Congress in justification for the amounts included for Veterans' Administration programs in the President's Budget for fiscal year 1987, the Secretary may provide for flat grave markers;

(B) in the case of any cemetery with a section which has flat markers on October 28, 1986, the Secretary may continue to provide for flat grave markers in such section;

(D) in the case of grave sites of cremated remains that are interred in the ground, the Secretary may provide for flat grave markers.

(d) There shall be kept in each national cemetery, and at the main office of the Department, a register of burials in each cemetery setting forth the name of each person buried in the cemetery, the number of the grave in which the veteran is buried, and such other information as the Secretary by regulation may prescribe.

(f)(1) The Secretary is authorized to convey to any State, or political subdivision thereof, in which any national cemetery is located, all right, title, and interest of the United States in and to any Government owned or controlled ap-

proach road to such cemetery if, prior to the delivery of any instrument of conveyance, the State or political subdivision to which such conveyance is to be made notifies the Secretary in writing of its willingness to accept and maintain the road included in such conveyance. Upon the execution and delivery of such a conveyance, the jurisdiction of the United States over the road conveyed shall cease and thereafter vest in the State or political subdivision concerned.

(2) The Secretary may, to the extent of appropriated funds available for such purpose, make a contribution to local authorities for the construction of road improvements or traffic controls or other devices on land adjacent to a national cemetery if the Secretary determines that such a contribution is essential to ensure safe ingress to or egress from the cemetery.

(g) Notwithstanding any other provision of law, the Secretary may at such time as the Secretary deems desirable, relinquish to the State in which any cemetery, monument, or memorial under the Secretary's jurisdiction is located, such portion of legislative jurisdiction over the lands involved as is necessary to establish concurrent jurisdiction between the Federal Government and the State concerned. Such partial relinquishment of jurisdiction under the authority of this subsection may be made by filing with the Governor of the State involved a notice of such relinquishment and shall take effect upon acceptance thereof by the State in such manner as its laws may prescribe.

(h)(1) With respect to the interment or funeral, memorial service, or ceremony of a deceased veteran at a national cemetery, the Secretary shall ensure that—
