§ 5502. Payments to and supervision of fiduciaries

(a)(1) Where it appears to the Secretary that the interest of the beneficiary would be served thereby, payment of benefits under any law administered by the Secretary may be made directly to the beneficiary or to a relative or some other fiduciary for the use and benefit of the beneficiary, regardless of any legal disability on the part of the beneficiary. Where, in the opinion of the Secretary, any fiduciary receiving funds on behalf of a Department beneficiary is acting in such a number of cases as to make it impracticable to conserve properly the estates or to supervise the persons of the beneficiaries, the Secretary may refuse to make future payments in such cases as the Secretary may deem proper.

(2) In a case in which the Secretary determines that a commission is necessary in order to obtain the services of a fiduciary in the best interests of a beneficiary, the Secretary may authorize a fiduciary appointed by the Secretary to obtain from the beneficiary's estate a reasonable commission for fiduciary services rendered, but the commission for any year may not exceed 4 percent of the monetary benefits under laws administered by the Secretary paid on behalf of the beneficiary to the fiduciary during such year. A commission may not be authorized for a fiduciary who receives any other form of remuneration or payment in connection with rendering fiduciary services for benefits under this title on behalf of the beneficiary.

(b) Whenever it appears that any fiduciary, in the opinion of the Secretary, is not properly executing or has not properly executed the duties of the trust of such fiduciary or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Secretary may appear, by the Secretary's authorized attorney, in the court which has appointed such fiduciary, or in any court having original, concurrent, or appellate jurisdiction over said cause, and make proper presentation of such matters. The Secretary, in the Secretary's discretion, may suspend payments to any such fiduciary who shall neglect or refuse, after reasonable notice, to render an account to the Secretary from time to

time showing the application of such payments for the benefit of such incompetent or minor beneficiary, or who shall neglect or refuse to administer the estate according to law. The Secretary may require the fiduciary, as part of such account, to disclose any additional financial information concerning the beneficiary (except for information that is not available to the fiduciary). The Secretary may appear or intervene by the Secretary's duly authorized attorney in any court as an interested party in any litigation instituted by the Secretary or otherwise, directly affecting money paid to such fiduciary under this section.

(c) Authority is hereby granted for the payment of any court or other expenses incident to any investigation or court proceeding for the appointment of any fiduciary or other person for the purpose of payment of benefits payable under laws administered by the Secretary or the removal of such fiduciary and appointment of another, and of expenses in connection with the administration of such benefits by such fiduciaries, or in connection with any other court proceeding hereby authorized, when such payment is authorized by the Secretary.

(d) All or any part of any benefits the payment of which is suspended or withheld under this section may, in the discretion of the Secretary, be paid temporarily to the person having custody and control of the incompetent or minor beneficiary, to be used solely for the benefit of such beneficiary, or, in the case of an incompetent veteran, may be apportioned to the dependent or dependents, if any, of such veteran. Any part not so paid and any funds of a mentally incompetent or insane veteran not paid to the chief officer of the institution in which such veteran is a patient nor apportioned to the veteran's dependent or dependents may be ordered held in the Treasury to the credit of such beneficiary. All funds so held shall be disbursed under the order and in the discretion of the Secretary for the benefit of such beneficiary or the beneficiary's dependents. Any balance remaining in such fund to the credit of any beneficiary may be paid to the beneficiary if the beneficiary recovers and is found competent, or if a minor, attains majority, or otherwise to the beneficiary's fiduciary, or, in the event of the beneficiary's death, to the beneficiary's personal representative, except as otherwise provided by law; however, payment will not be made to the beneficiary's personal representative if, under the law of the beneficiary's last legal residence, the beneficiary's estate would escheat to the State. In the event of the death of a mentally incompetent or insane veteran, all gratuitous benefits under laws administered by the Secretary deposited before or after August 7, 1959, in the personal funds of patients trust fund on account of such veteran shall not be paid to the personal representative of such veteran, but shall be paid to the following persons living at the time of settlement, and in the order named: The surviving spouse, the children (without regard to age or marital status) in equal parts, and the dependent parents of such veteran, in equal parts. If any balance remains, such balance shall be deposited to the credit of the applicable current appropriation; except that there may be paid only so
