

§ 8112. Partial relinquishment of legislative jurisdiction

The Secretary, on behalf of the United States, may relinquish to the State in which any lands or interests therein under the supervision or control of the Secretary are situated, such measure of legislative jurisdiction over such lands or interests as is necessary to establish concurrent jurisdiction between the Federal Government and the State concerned. Such partial relinquishment of legislative jurisdiction shall be initiated by filing a notice thereof with the Governor of the State concerned, or in such other manner as may be prescribed by the laws of such State, and shall take effect upon acceptance by such State.

§ 8117. Emergency preparedness

(a) **READINESS OF DEPARTMENT MEDICAL CENTERS.**—(1) The Secretary shall take appropriate actions to provide for the readiness of Department medical centers to protect the patients and staff of such centers from a public health emergency (as defined in section 2801 of the Public Health Service Act) or otherwise to respond to such an emergency so as to enable such centers to fulfill their obligations as part of the Federal response to such emergencies.

(2) Actions under paragraph (1) shall include—

(A) the provision of decontamination equipment and personal protection equipment at Department medical centers;

(B) the provision of training in the use of such equipment to staff of such centers;

(C) organizing, training, and equipping the staff of such centers to support the activities carried out by the Secretary of Health and Human Services under section 2801 of the Public Health Service Act in the event of a public health emergency and incidents covered by the National Response Plan developed pursuant to section 502(6)¹ of the Homeland Security Act of 2002, or any successor plan; and

(D) providing medical logistical support to the National Disaster Medical System and the Secretary of Health and Human Services as necessary, on a reimbursable basis, and in coordination with other designated Federal agencies.

(b) **SECURITY AT DEPARTMENT MEDICAL AND RESEARCH FACILITIES.**—(1) The Secretary shall take appropriate actions to provide for the security of Department medical centers and research facilities, including staff and patients at such centers and facilities.

(2) In taking actions under paragraph (1), the Secretary shall take into account the results of the evaluation of the security needs at Department medical centers and research facilities required by section 154(b)(1) of the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (Public Law 107-188; 116 Stat. 631), including the results of such evaluation relating to the following needs:

(A) Needs for the protection of patients and medical staff during emergencies, including a chemical or biological attack or other terrorist attack.

(B) Needs, if any, for screening personnel engaged in research relating to biological pathogens or agents, including work associated with such research.

(C) Needs for securing laboratories or other facilities engaged in research relating to biological pathogens or agents.

(c) **TRACKING OF PHARMACEUTICALS AND MEDICAL SUPPLIES AND EQUIPMENT.**—The Secretary shall develop and maintain a centralized system for tracking the current location and availability of pharmaceuticals, medical supplies, and medical equipment throughout the Department health care system in order to permit the ready identification and utilization of such pharmaceuticals, supplies, and equipment for a variety of purposes, including response to a public health emergency. The Secretary shall, through existing medical procurement contracts, and on a reimbursable basis, make available as necessary, medical supplies, equipment, and pharmaceuticals in response to a public health emergency in support of the Secretary of Health and Human Services.

(d) **TRAINING.**—The Secretary shall ensure that the Department medical centers, in consultation with the accredited medical school affiliates of such medical centers, implement curricula to train resident physicians and health care personnel in medical matters relating to public health emergencies or attacks from an incendiary or other explosive weapon consistent with section 319F(a) of the Public Health Service Act.
