

due under such contract” to eliminate unnecessary words.

In subsection (b)(9)(B), the words “When a ‘no reduction or setoff’ provision as described in subparagraph (A) is included in a contract” are substituted for “If a provision described in subsection (e) of this section or a provision to the same general effect has been at any time heretofore or is hereafter included or inserted in any such contract”, the words “payments to the assignee” are substituted for “payments to be made thereafter to an assignee of any moneys due or to become due”, and the words “an assignor’s liability” are substituted for “any liability of any nature of the assignor to the United States or any department or agency thereof”, for clarity and to eliminate unnecessary words.

In subsection (b)(9)(C), the text of 40:15(g), which provided that nothing in 40:15 affected rights and obligations accrued before subsection (g) was added by the Act of May 15, 1951 (ch. 75, 65 Stat. 41), is omitted as obsolete.

DELEGATION OF AUTHORITY

Memorandum of President of the United States, Oct. 3, 1995, 60 F.R. 52289, provided:

Memorandum for the Heads of Executive Departments and Agencies

Section 2451 of the Federal Acquisition Streamlining Act of 1994, Public Law 103-355 (amending former) 41 U.S.C. 15 [see 41 U.S.C. 6305] (“Act”), provides, in part, that “[a]ny contract of the Department of Defense, the General Services Administration, the Department of Energy or any other department or agency of the United States designated by the President, except [contracts where] . . . full payment has been made, may, upon a determination of need by the President, provide or be amended without consideration to provide that payments to be made to the assignee of any moneys due or to become due under [the] contract shall not be subject to reduction or set-off.”

By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, I hereby designate all other departments and agencies of the United States as subject to this provision. Furthermore, I hereby delegate to the Secretaries of Defense and Energy, the Administrator of General Services, and the heads of all other departments and agencies, the authority under section 2451 of the Act to make determinations of need for their respective agency’s contracts, subject to such further guidance as issued by the Office of Federal Procurement Policy.

The authority delegated by this memorandum may be further delegated within the departments and agencies.

This memorandum shall be published in the Federal Register.

WILLIAM J. CLINTON.

In subsection (b)(2), the words “Emergency Farm Mortgage Act of 1933” and “Federal Farm Mortgage Corporation Act” are omitted because all provisions of those Acts have previously been executed or repealed.

In subsection (b)(2)(B), the words “Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.)” are substituted for “Federal Farm Loan Act” and “Farm Credit Act of 1933” because of section 5.40(a), formerly 5.26(a), of the Farm Credit Act of 1971 (Pub. L. 92-181, 12 U.S.C. 2001 note).

In subsection (b)(2)(C), the words “Home Owners’ Loan Act” are substituted for “Home Owners’ Loan Act of 1933” because of the amendment to 12:1461 made by Public Law 101-73.

§ 6307. Contracts with Federal Government-owned establishments and availability of appropriations

An order or contract placed with a Federal Government-owned establishment for work, material, or the manufacture of material pertaining to an approved project is deemed to be an obligation in the same manner that a similar order or contract placed with a commercial manufacturer or private contractor is an obligation. Appropriations remain available to pay an obligation to a Federal Government-owned establishment just as appropriations remain available to pay an obligation to a commercial manufacturer or private contractor.

The words “heretofore or” are omitted as obsolete. The word “hereafter” is omitted as unnecessary because the provision is restated as permanent law rather than as part of a fiscal year appropriation.
