The amount of start-up funds and expansion funds payable to an institution shall be not less than the institution's anticipated reimbursement for administrative expenses under the program for one month and not more than the institution's anticipated reimbursement for administrative expenses under the program for two months.

(ii) Funds for administrative expenses may be used by family or group day care home sponsoring organizations to assist unlicensed family or group day care homes in becoming licensed.

(D) LIMITATIONS ON ABILITY OF FAMILY OR GROUP DAY CARE HOMES TO TRANSFER SPONSORING ORGANIZATIONS.—

(i) IN GENERAL.—Subject to clause (ii), a State agency shall limit the ability of a family or group day care home to transfer from a sponsoring organization to another sponsoring organization more frequently than once a year.

(ii) GOOD CAUSE.—The State agency may permit or require a family or group day care home to transfer from a sponsoring organization to another sponsoring organization more frequently than once a year for good cause (as determined by the State agency), including circumstances in which the sponsoring organization of the family or group day care home ceases to participate in the child and adult care food program.

(E) PROVISION OF DATA TO FAMILY OR GROUP DAY CARE HOME SPONSORING ORGANIZATIONS.—

(i) CENSUS DATA.—The Secretary shall provide to each State agency administering a child and adult care food program under this section data from the most recent decennial census survey or other appropriate census survey for which the data are available showing which areas in the State meet the requirements of subparagraph (A)(ii)(I)(aa). The State agency shall provide the data to family or group day care home sponsoring organizations located in the State.

(ii) SCHOOL DATA.—

(I) IN GENERAL.—A State agency administering the school lunch program under this chapter or the school breakfast program under the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.) shall provide to approved family or group day care home sponsoring organizations a list of schools serving elementary school children in the State in which not less than ½ of the children enrolled are certified to receive free or reduced price meals. The State agency shall collect the data necessary to create the list annually and provide the list on a timely basis to any approved family or group day care home sponsoring organization that requests the list.

(II) USE OF DATA FROM PRECEDING SCHOOL YEAR.—In determining for a fiscal year or other annual period whether a home qualifies as a tier I family or group day care home under subparagraph (A)(ii)(I), the State agency administering the program under this section, and a family or group day care home sponsoring organization, shall use the most current available data at the time of the determination.

(iii) DURATION OF DETERMINATION.—For purposes of this section, a determination that a family or group day care home is located in an area that qualifies the home as a tier I family or group day care home (as the term is defined in subparagraph (A)(ii)(I)), shall be in effect for 5 years (unless the determination is made on the basis of census data, in which case the determination shall remain in effect until more recent census data are available) unless the State

agency determines that the area in which the home is located no longer qualifies the home as a tier I family or group day care home.

(4) By the first day of each month of operation, the State may provide advance payments for the month to each approved institution in an amount that reflects the full level of valid claims customarily received from such institution for one month's operation. In the case of a newly participating institution, the amount of the advance shall reflect the State's best estimate of the level of valid claims such institutions will submit. If the State has reason to believe that an institution will not be able to submit a valid claim covering the period for which such an advance has been made, the subsequent month's advance payment shall be withheld until the State receives a valid claim. Payments advanced to institutions that are not subsequently deducted from a valid claim for reimbursement shall be repaid upon demand by the State. Any prior payment that is under dispute may be subtracted from an advance payment.

**(g) Nutritional requirements for meals and snacks served in institutions and family or group day care homes**

**(1) Definition of dietary guidelines**

In this subsection, the term "Dietary Guidelines" means the Dietary Guidelines for Americans published under section 5341 of title 7.

**(2) Nutritional requirements**

**(A) In general**

Except as provided in subparagraph (C), reimbursable meals and snacks served by institutions, family or group day care homes, and sponsored centers participating in the program under this section shall consist of a combination of foods that meet minimum nutritional requirements prescribed by the Secretary on the basis of tested nutritional research.

**(B) Conformity with the dietary guidelines and authoritative science**

**(i) In general**

Not less frequently than once every 10 years, the Secretary shall review and, as appropriate, update requirements for meals served under the program under this section to ensure that the meals—

(I) are consistent with the goals of the most recent Dietary Guidelines; and

(II) promote the health of the population served by the program authorized under this section, as indicated by the most recent relevant nutrition science and appropriate authoritative scientific agency and organization recommendations.

**(ii) Cost review**

The review required under clause (i) shall include a review of the cost to child care centers and group or family day care homes resulting from updated requirements for meals and snacks served under the program under this section.

**(iii) Regulations**

Not later than 18 months after the completion of the review of the meal pattern

under clause (i), the Secretary shall promulgate proposed regulations to update the meal patterns for meals and snacks served under the program under this section.

**(C) Exceptions**

**(i) Special dietary needs**

The minimum nutritional requirements prescribed under subparagraph (A) shall not prohibit institutions, family or group day care homes, and sponsored centers from substituting foods to accommodate the medical or other special dietary needs of individual participants.

**(ii) Exempt institutions**

The Secretary may elect to waive all or part of the requirements of this subsection for emergency shelters participating in the program under this section.

**(3) Meal service**

Institutions, family or group day care homes, and sponsored centers shall ensure that reimbursable meal service contributes to the development and socialization of enrolled children by providing that food is not used as a punishment or reward.

**(4) Fluid milk**

**(A) In general**

If an institution, family or group day care home, or sponsored center provides fluid milk as part of a reimbursable meal or supplement, the institution, family or group day care home, or sponsored center shall provide the milk in accordance with the most recent version of the Dietary Guidelines.

**(B) Milk substitutes**

In the case of children who cannot consume fluid milk due to medical or other special dietary needs other than a disability, an institution, family or group day care home, or sponsored center may substitute for the fluid milk required in meals served, a nondairy beverage that—

(i) is nutritionally equivalent to fluid milk; and

(ii) meets nutritional standards established by the Secretary, including, among other requirements established by the Secretary, fortification of calcium, protein, vitamin A, and vitamin D to levels found in cow's milk.

**(C) Approval**

**(i) In general**

A substitution authorized under subparagraph (B) may be made—

(I) at the discretion of and on approval by the participating day care institution; and

(II) if the substitution is requested by written statement of a medical authority, or by the parent or legal guardian of the child, that identifies the medical or other special dietary need that restricts the diet of the child.

**(ii) Exception**

An institution, family or group day care home, or sponsored center that elects to

make a substitution authorized under this paragraph shall not be required to provide beverages other than beverages the State has identified as acceptable substitutes.

**(D) Excess expenses borne by institution**

A participating institution, family or group day care home, or sponsored center shall be responsible for any expenses that—

(i) are incurred by the institution, family or group day care home, or sponsored center to provide substitutions under this paragraph; and

(ii) are in excess of expenses covered under reimbursements under this chapter.

**(5) Nondiscrimination policy**

No physical segregation or other discrimination against any person shall be made because of the inability of the person to pay, nor shall there be any overt identification of any such person by special tokens or tickets, different meals or meal service, announced or published lists of names, or other means.

**(6) Use of abundant and donated foods**

To the maximum extent practicable, each institution shall use in its food service foods that are—

(B) The value of the commodities donated under subparagraph (A) (or cash in lieu of commodities) to each State for each school year shall be, at a minimum, the amount obtained by multiplying the number of lunches and suppers served in participating institutions in that State during the preceding school year by the rate for commodities or cash in lieu of commodities established under section 1755(c) of this title for the school year concerned.

(C) After the end of each school year, the Secretary shall—

(i) reconcile the number of lunches and suppers served in participating institutions in each State during such school year with the number of lunches and suppers served by participating institutions in each State during the preceding school year; and

(ii) based on such reconciliation, increase or reduce subsequent commodity assistance or cash in lieu of commodities provided to each State.

(D) Any State receiving assistance under this section for institutions participating in the child care food program may, upon application to the Secretary, receive cash in lieu of some or all of the commodities to which it would otherwise be entitled under this subsection. In determining whether to request cash in lieu of com-

modities, the State shall base its decision on the preferences of individual participating institutions within the State, unless this proves impracticable due to the small number of institutions preferring donated commodities.

(2) The Secretary is authorized to provide agricultural commodities obtained by the Secretary under the provisions of the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.) and donated under the provisions of section 416 of such Act [7 U.S.C. 1431], to the Department of Defense for use by its institutions providing child care services, when such commodities are in excess of the quantities needed to meet the needs of all other child nutrition programs, domestic and foreign food assistance and export enhancement programs. The Secretary shall require reimbursement from the Department of Defense for the costs, or some portion thereof, of delivering such commodities to overseas locations, unless the Secretary determines that it is in the best interest of the program that the Department of Agriculture shall assume such costs.

**(1) Disregards**

**(A) In general**

Subject to subparagraph (B), in conducting management evaluations, reviews, or audits under this section, the Secretary or a State agency may disregard any overpayment to an institution for a fiscal year if the total overpayment to the institution for the fiscal year does not exceed an amount that is consistent with the disregards allowed in other programs under this chapter and recognizes the cost of collecting small claims, as determined by the Secretary.

**(B) Criminal or fraud violations**

In carrying out this paragraph, the Secretary and a State agency shall not disregard any overpayment for which there is evidence of a violation of a criminal law or civil fraud law.

**(2) Funding**

**(B) Additional funding**

**(i) In general**

Subject to clause (ii), for fiscal year 2016 and each fiscal year thereafter, the Secretary may increase the amount of funds made available to any State agency under subparagraph (A), if the State agency demonstrates that the State agency can effectively use the funds to improve program management under criteria established by the Secretary.

Reimbursement provided to such institutions for such purposes shall improve the quality of meals or level of services provided or increase participation in the program. Lunches served by each such institution for which reimbursement is claimed under this section shall

(3)(A) The Secretary, in consultation<sup>2</sup> with the Assistant Secretary for Aging, shall establish, within 6 months of October 1, 1988, separate guidelines for reimbursement of institutions described in this subsection. Such reimbursement shall take into account the nutritional requirements of eligible persons, as determined by the Secretary on the basis of tested nutritional research, except that such reimbursement shall not be less than would otherwise be required under this section.
