(c) Credit not a section 13258 credit

A credit under this section shall not be considered a credit under section 13258 of this title.

(d) Issuance of rule

The Secretary shall, before January 1, 1999, issue a rule establishing procedures for the implementation of this section.

(e) Collection of data

The Secretary shall collect such data as are required to make a determination described in subsection (f)(2)(B) of this section.

(f) Definitions

For purposes of this section—

(1) the term “biodiesel”—

(A) means a diesel fuel substitute produced from nonpetroleum renewable resources that meets the registration requirements for fuels and fuel additives established by the Environmental Protection Agency under section 7545 of this title;

(B) includes biodiesel derived from—

(i) animal wastes, including poultry fats and poultry wastes, and other waste materials; or

(ii) municipal solid waste and sludges and oils derived from wastewater and the treatment of wastewater; and

(2) the term “qualifying volume” means—

(A) 450 gallons; or

(B) if the Secretary determines by rule that the average annual alternative fuel use in light duty vehicles by fleets and covered persons exceeds 450 gallons or gallon equivalents, the amount of such average annual alternative fuel use.

CODIFICATION

Pub. L. 105-277 and Pub. L. 105-388 enacted identical sections.

AMENDMENTS

2005—Subsec. (f)(1). Pub. L. 109-58 inserted dash after “biodiesel”, designated remainder of existing provisions as subpar. (A), and added subpar. (B).

SUBCHAPTER II—ALTERNATIVE FUELS—
NON-FEDERAL PROGRAMS

§ 13231. Public information program

The Secretary, in consultation with appropriate Federal agencies and individuals and organizations with practical experience in the production and use of alternative fuels and alternative fueled vehicles, shall, for the purposes of promoting the use of alternative fuels and alternative fueled vehicles, establish a public information program on the benefits and costs of the use of alternative fuels in motor vehicles. Within 18 months after October 24, 1992, the Secretary shall produce and make available an information package for consumers to assist them in choosing among alternative fuels and alternative fueled vehicles. Such information package shall provide relevant and objective information on motor vehicle characteristics and fuel characteristics as compared to gasoline, on a life cycle basis, including environmental performance, energy efficiency, domestic content, cost, maintenance requirements, reliability, and safety. Such information package shall also include information with respect to the conversion of conventional motor vehicles to alternative fueled vehicles. The Secretary shall include such other information as the Secretary determines is reasonable and necessary to help promote the use of alternative fuels in motor vehicles. Such information package shall be updated annually to reflect the most recent available information.

§ 13232. Labeling requirements

(a) Establishment of requirements

The Federal Trade Commission, in consultation with the Secretary, the Administrator of the Environmental Protection Agency, and the Secretary of Transportation, shall, within 18 months after October 24, 1992, issue a notice of proposed rulemaking for a rule to establish uniform labeling requirements, to the greatest extent practicable, for alternative fuels and alternative fueled vehicles, including requirements for appropriate information with respect to costs and benefits, so as to reasonably enable the consumer to make choices and comparisons. Required labeling under the rule shall be simple and, where appropriate, consolidated with other labels providing information to the consumer. In formulating the rule, the Federal Trade Commission shall give consideration to the problems associated with developing and publishing useful and timely cost and benefit information, taking into account lead time, costs, the frequency of changes in costs and benefits that may occur, and other relevant factors. The Commission shall obtain the views of affected industries, consumer organizations, Federal and State agencies, and others in formulating the rule. A final rule shall be issued within 1 year after the
