Proposals must demonstrate that a broad base of collaboration and coordination will occur in the implementation of the proposed activities, involving cooperation among youth-serving organizations, schools, health and social service providers, employers, law enforcement professionals, local government, and residents of target areas, including young people. Applications shall be geographically based in particular neighborhoods or sections of municipalities or particular segments of rural areas, and applications shall demonstrate how programs will serve substantial proportions of children and youth resident in the target area with activities designed to have substantial impact on their lives.

**(c) Priority**

In making such grants, the Council shall give preference to coalitions consisting of a broad spectrum of community-based and social service organizations that have a coordinated team approach to reducing gang membership and the effects of substance abuse, and providing alternatives to at-risk youth.

**(d) Federal share**

**(1) In general**

The Federal share of a grant made under this part<sup>1</sup> may not exceed 75 percent of the total costs of the projects described in the applications submitted under subsection (b) of this section for the fiscal year for which the projects receive assistance under this subchapter.

**(2) Waiver**

**(3) Non-Federal share**

The non-Federal share of such costs may be in cash or in kind, fairly evaluated, including plant, equipment, and services.

**(4) Nonsupplanting requirement**

Funds made available under this subchapter to a governmental entity shall not be used to

supplant State or local funds, or in the case of Indian tribal governments, funds supplied by the Bureau of Indian Affairs, but shall be used to increase the amount of funds that would, in the absence of Federal funds received under this subchapter, be made available from State or local sources, or in the case of Indian tribal governments, from funds supplied by the Bureau of Indian Affairs.

**(5) Evaluation**

The Council shall conduct a thorough evaluation of the programs assisted under this subchapter.
