(ii) Clause (i) shall not be construed to preclude counting a participant's previous period of law enforcement experience for purposes other than satisfaction of the requirements of section 14098 of this title, such as for purposes of determining such a participant's pay and other benefits, rank, and tenure.

(3) It is the intent of this part that there shall be no more than 20,000 participants in each graduating class. The Director shall approve State plans providing in the aggregate for such enrollment of applicants as shall assure, as nearly as possible, annual graduating classes of 20,000. In a year in which applications are received in a number greater than that which will produce, in the judgment of the Director, a graduating class of more than 20,000, the Director shall, in deciding which applications to grant, give preference to those who will be participating in State plans that provide law enforcement personnel to areas of greatest need.

(c) Recruitment of minorities

§ 14097. Police Corps training

(a) In general

(1) The Director shall establish programs of training for Police Corps participants. Such programs may be carried out at up to 3 training centers established for this purpose and administered by the Director, or by contracting with existing State training facilities. The Director shall contract with a State training facility upon request of such facility if the Director determines that such facility offers a course of training substantially equivalent to the Police Corps training program described in this part.

(2) The Director may enter into contracts with individuals, institutions of learning, and government agencies (including State and local police forces) to obtain the services of persons qualified to participate in and contribute to the training process.

(3) The Director may enter into agreements with agencies of the Federal Government to utilize on a reimbursable basis space in Federal buildings and other resources.

(4) The Director may authorize such expenditures as are necessary for the effective maintenance of the training centers, including purchases of supplies, uniforms, and educational materials, and the provision of subsistence, quarters, and medical care to participants.

(b) Training sessions

A participant in a State Police Corps program shall attend up to 24 weeks, but no less than 16

weeks, of training at a training center. The Director may approve training conducted in not more than 3 separate sessions.

(c) Further training

The Police Corps training authorized in this section is intended to serve as basic law enforcement training but not to exclude further training of participants by the State and local authorities to which they will be assigned. Each State plan approved by the Director under section 14099¹ of this title shall include assurances that following completion of a participant's course of education each participant shall receive appropriate additional training by the State or local authority to which the participant is assigned. The time spent by a participant in such additional training, but not the time spent in Police Corps training, shall be counted toward fulfillment of the participant's 4-year service obligation.

(d) Course of training

The training sessions at training centers established under this section shall be designed to provide basic law enforcement training, including vigorous physical and mental training to teach participants self-discipline and organizational loyalty and to impart knowledge and understanding of legal processes and law enforcement.

(e) Evaluation of participants

A participant shall be evaluated during training for mental, physical, and emotional fitness, and shall be required to meet performance standards prescribed by the Director at the conclusion of each training session in order to remain in the Police Corps program.

REFERENCES IN TEXT

Section 14099 of this title, referred to in subsec. (c), was in the original "section 10", and was translated as reading "section 200110", meaning section 200110 of Pub. L. 103-322, to reflect the probable intent of Congress, because Pub. L. 103-322 does not contain a section 10, and section 14099 of this title relates to requirements for State Police Corps plans.

AMENDMENTS

2002—Subsec. (f). Pub. L. 107-273 substituted "\$400" for "\$250".

1998—Subsec. (b). Pub. L. 105-277, §138(a)(1), added subsec. (b) and struck out heading and text of former subsec. (b). Text read as follows: "A participant in a State Police Corps program shall attend two 8-week training sessions at a training center, one during the summer following completion of sophomore year and one during the summer following completion of junior year. If a participant enters the program after sophomore year, the participant shall complete 16 weeks of training at times determined by the Director."

Subsec. (c). Pub. L. 105-277, §138(a)(2), substituted "The Police Corps" for "The 16 weeks of Police Corps".
