Section 14 of the Federal Advisory Committee Act, referred to in subsec. (d), is section 14 of Pub. L. 92-463, which is set out in the Appendix to Title 5, Government Organization and Employees.

**§ 15705. Savings clause**

Nothing in this chapter supersedes any provision of the National Manufactured Housing Construction and Safety Standards Act of 1974 [42 U.S.C. 5401 et seq.]. No design, construction method, practice, technology, material, mitigation methodology, or hazard reduction measure of any kind developed under this chapter shall be required for a home certified under section 616 of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5415), pursuant to standards issued under such Act, without being subject to the consensus development process and rulemaking procedures of that Act.

§ 15801. Definitions

Except as otherwise provided, in this Act:

**(1) Department**

The term “Department” means the Department of Energy.

**(2) Institution of higher education**

**(A) In general**

The term “institution of higher education” has the meaning given the term in section 1001(a) of title 20.

**(B) Inclusion**

The term “institution of higher education” includes an organization that—

- (i) is organized, and at all times thereafter operated, exclusively for the benefit of, to perform the functions of, or to carry out the functions of one or more organizations referred to in subparagraph (A); and
- (ii) is operated, supervised, or controlled by or in connection with one or more of those organizations.

**(3) National Laboratory**

The term “National Laboratory” means any of the following laboratories owned by the Department:
