

U.S.C. 16501 et seq.] until final regulations are issued that include—

(1) programmatic, technical, and financial factors the Secretary will use to select projects for loan guarantees;

(2) policies and procedures for selecting and monitoring lenders and loan performance; and

(3) any other policies, procedures, or information necessary to implement title XVII of the Energy Policy Act of 2005.

(c) The Secretary of Energy shall enter into an arrangement with an independent auditor for annual evaluations of the program under title XVII of the Energy Policy Act of 2005 [42 U.S.C. 16501 et seq.]. In addition to the independent audit, the Comptroller General shall conduct a review every three years of the Department's execution of the program under title XVII of the Energy Policy Act of 2005. The results of the independent audit and the Comptroller General's review shall be provided directly to the Committees on Appropriations of the House of Representatives and the Senate.

(d) The Secretary of Energy shall promulgate final regulations for loan guarantees under title XVII of the Energy Policy Act of 2005 [42 U.S.C. 16501 et seq.] within 6 months of February 15, 2007.

(e) Not later than 120 days after February 15, 2007, and annually thereafter, the Secretary of Energy shall transmit to the Committees on Appropriations of the House of Representatives and the Senate a report containing a summary of all activities under title XVII of the Energy Policy Act of 2005 [42 U.S.C. 16501 et seq.], beginning in fiscal year 2007, with a listing of responses to loan guarantee solicitations under this subchapter, describing the technologies, amount of loan guarantee sought, and the applicants' assessment of risk.

AMENDMENTS

2014—Subsec. (c). Pub. L. 113-76 substituted “a review every three years” for “an annual review”.

§ 16516. Temporary program for rapid deployment of renewable energy and electric power transmission projects

(a) In general

Notwithstanding section 16513 of this title, the Secretary may make guarantees under this section only for the following categories of projects that commence construction not later than September 30, 2011:

(1) Renewable energy systems, including incremental hydropower, that generate electricity or thermal energy, and facilities that manufacture related components.

(2) Electric power transmission systems, including upgrading and reconductoring projects.

(3) Leading edge biofuel projects that will use technologies performing at the pilot or demonstration scale that the Secretary determines are likely to become commercial technologies and will produce transportation fuels that substantially reduce life-cycle greenhouse gas emissions compared to other transportation fuels.

(b) Factors relating to electric power transmission systems

In determining to make guarantees to projects described in subsection (a)(2), the Secretary may consider the following factors:

(1) The viability of the project without guarantees.

(2) The availability of other Federal and State incentives.

(3) The importance of the project in meeting reliability needs.

(4) The effect of the project in meeting a State or region's environment (including climate change) and energy goals.

(c) Wage rate requirements

The Secretary shall require that each recipient of support under this section provide reasonable assurance that all laborers and mechanics employed in the performance of the project for which the assistance is provided, including those employed by contractors or subcontractors, will be paid wages at rates not less than those prevailing on similar work in the locality as determined by the Secretary of Labor in accordance with subtitle II of title 40 (commonly referred to as the “Davis-Bacon Act”).

(d) Limitation

Funding under this section for projects described in subsection (a)(3) shall not exceed \$500,000,000.

(e) Sunset

The authority to enter into guarantees under this section shall expire on September 30, 2011.
