

commission's expenses shall be otherwise apportioned as the commission may determine. Each commission shall prepare a budget annually and transmit it to the Council and the States. Estimates of proposed appropriations from the Federal Government shall be included in the budget estimates submitted by the Council under chapter 11 of title 31, and may include an amount for advance to a commission against State appropriations for which delay is anticipated by reason of later legislative sessions. All sums appropriated to or otherwise received by a commission shall be credited to the commission's account in the Treasury of the United States.

(b) Acceptance, reception, utilization, and disposal of appropriations, donations, and grants

A commission may accept for any of its purposes and functions appropriations, donations, and grants of money, equipment, supplies, materials, and services from any State or the United States or any subdivision or agency thereof, or intergovernmental agency, and may receive, utilize, and dispose of the same.

(c) Accounts of receipts and disbursements; annual audit; inclusion in annual report

The commission shall keep accurate accounts of all receipts and disbursements. The accounts shall be audited at least annually in accordance with generally accepted auditing standards by independent certified or licensed public accountants, certified or licensed by a regulatory authority of a State, and the report of the audit shall be included in and become a part of the annual report of the commission.

(d) Inspection of accounts

The accounts of the commission shall be open at all reasonable times for inspection by representatives of the jurisdictions and agencies which make appropriations, donations, or grants to the commission.

INCREASES IN SALARY, PAY, RETIREMENT, OR OTHER BENEFITS FOR FEDERAL EMPLOYEES

For authority for payment of increases in salary and other Federal employee benefits, see section 1(e) of Pub. L. 95-404, set out as a note under section 1962d of this title.

§ 1962c-1. Allotments to States: basis, population and land area determinations; payments to States: amount

(a) From the sums appropriated pursuant to section 1962c of this title for any fiscal year the Council shall from time to time make allotments to the States, in accordance with its regulations, on the basis of (1) the population, (2) the land area, (3) the need for comprehensive water and related land resources planning programs, and (4) the financial need of the respective States. For the purposes of this section the population of the States shall be determined on the basis of the latest estimates available from the Department of Commerce and the land area of the States shall be determined on the basis of the official records of the United States Geological Survey.

(b) From each State's allotment under this section for any fiscal year the Council shall pay to such State an amount which is not more than 50 per centum of the cost of carrying out its State program approved under section 1962c-2 of this title, including the cost of training personnel for carrying out such program and the cost of administering such program.
