Such description shall be designed to help eligible applicants to apply for such assistance.

(3) Publication of selection criteria

Not less than 30 days before any deadline by which applications or requests for assistance under any program or discretionary fund administered by the Secretary must be submitted, the Secretary shall publish in the Federal

Register the criteria by which selection for the assistance will be made. Subject to section 1439 of this title, such criteria shall include any objective measures of housing need, project merit, or efficient use of resources that the Secretary determines are appropriate and consistent with the statute under which the assistance is made available.

(4) Documentation of decisions

(A) The Secretary shall award or allocate assistance only in response to a written application in a form approved in advance by the Secretary, except where other award or allocation procedures are specified in statute.

(B) The Secretary shall ensure that documentation and other information regarding each application for assistance is sufficient to indicate the basis on which any award or allocation was made or denied. The preceding sentence shall apply to—

(i) any application for an award or allocation of assistance made by the Secretary to a State, unit of general local government, or other recipient of assistance, and

(ii) any application for a subsequent award or allocation of such assistance by such State, unit of general local government or other recipient.

(C)(i) The Secretary shall notify the public of all funding decisions made by the Department. The Secretary shall require any State or unit of general local government to notify the public of the award or allocation of such funding to subsequent recipients. The notification shall include the following elements for each funding decision:

(V) such additional information as the Secretary deems appropriate for a clear and full understanding of the funding decision.

(ii) The notification referred to in clause (i) of this subsection shall be published as a Notice in the Federal Register at least quarterly.

(iii) For purposes of this subparagraph, the term “funding decision” means the decision of the Secretary to make available grants, loans, or any other form of financial assistance to an individual or to an entity, including (but not limited to) a State or local government or agency thereof (including a public housing agency), an Indian tribe, or a nonprofit organization, under any program administered by the Department that provides, by statute, regulation, or otherwise, for the competitive distribution of financial assistance.

(D) The Secretary shall publish a notice in the Federal Register at least annually informing the public of the allocation of assistance under section 1439(d)(1)(A) of this title.

The Secretary shall require the disclosure of information with respect to any application for assistance within the jurisdiction of the Department for a project application submitted to the Secretary or to any State or unit of general local government by any applicant who has received or, in the determination of the Secretary, can reasonably be expected to receive assistance within the jurisdiction of the Department in excess of \$200,000 in the aggregate during any fiscal year or such lower amount as the Secretary may establish by regulation. Such information shall include the following:

(1) Other government assistance

A report satisfactory to the Secretary of the expected sources and uses of funds that are to be made available for the project or activity.

If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order, the determination or order shall be final.

(2) Factors in determining amount of penalty

In determining the amount of a penalty under subsection (f) of this section, consideration shall be given to such factors as the gravity of the offense, ability to pay the penalty, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine in regulations to be appropriate.

The Secretary's determination or order imposing a penalty under subsection (f) of this section shall not be subject to review, except as provided in subsection (h) of this section.

The monetary judgment may, in the court's discretion, include the attorneys' fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

The Secretary may compromise, modify, or remit any civil money penalty which may be, or has been, imposed under this section.
