**§ 242o. Health conferences; publication of health educational information**

(a) A conference of the health authorities in and among the several States shall be called annually by the Secretary. Whenever in his opinion the interests of the public health would be promoted by a conference, the Secretary may invite as many of such health authorities and officials of other State or local public or private agencies, institutions, or organizations to confer as he deems necessary or proper. Upon the application of health authorities of five or more States it shall be the duty of the Secretary to call a conference of all State health authorities joining in the request. Each State represented at any conference shall be entitled to a single vote. Whenever at any such conference matters relating to mental health are to be discussed, the mental health authorities of the respective States shall be invited to attend.

(b) From time to time the Secretary shall issue information related to public health, in the form of publications or otherwise, for the use of the public, and shall publish weekly reports of health conditions in the United States and other countries and other pertinent health information for the use of persons and institutions concerned with health services.

(July 1, 1944, ch. 373, title III, § 310, formerly §§ 309, 310, as added Pub. L. 93-353, title I, § 107(a),

**§ 242p. National disease prevention data profile**

(a) The Secretary, acting through the National Center for Health Statistics, shall submit to Congress on March 15, 1990, and on March 15 of every third year thereafter, a national disease prevention data profile in order to provide a data base for the effective implementation of this Act and to increase public awareness of the prevalence, incidence, and any trends in the preventable causes of death and disability in the United States. Such profile shall include at a minimum—

- (1) mortality rates for preventable diseases;
- (2) morbidity rates associated with preventable diseases;

(3) the physical determinants of health of the population of the United States and the relationship between these determinants of health and the incidence and prevalence of preventable causes of death and disability; and

(4) the behavioral determinants of health of the population of the United States including, but not limited to, smoking, nutritional and dietary habits, exercise, and alcohol consumption, and the relationship between these determinants of health and the incidence and prevalence of preventable causes of death and disability.

(b) In preparing the profile required by subsection (a) of this section, the Secretary, acting through the National Center for Health Statistics, shall comply with all relevant provisions of sections 242k and 242m of this title.
