

erally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

**§ 247d-7a. Grants regarding training and education of certain health professionals**

**(a) In general**

The Secretary may make awards of grants and cooperative agreements to appropriate public and nonprofit private health or educational entities, including health professions schools and programs as defined in section 295p of this title, for the purpose of providing low-interest loans, partial scholarships, partial fellowships, revolving loan funds, or other cost-sharing forms of assistance for the education and training of individuals in any category of health professions for which there is a shortage that the Secretary determines should be alleviated in order to prepare for or respond effectively to bioterrorism and other public health emergencies.

**(b) Authority regarding non-Federal contributions**

The Secretary may require as a condition of an award under subsection (a) of this section that a grantee under such subsection provide non-Federal contributions toward the purpose described in such subsection.

**(c) Authorization of appropriations**

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2002 through 2006.

(July 1, 1944, ch. 373, title III, §319H, as added Pub. L. 107-188, title I, §106, June 12, 2002, 116 Stat. 607.)

**§ 247d-7b. Emergency system for advance registration of health professions volunteers**

**(a) In general**

Not later than 12 months after December 19, 2006, the Secretary shall link existing State verification systems to maintain a single national interoperable network of systems, each system being maintained by a State or group of States, for the purpose of verifying the credentials and licenses of health care professionals who volunteer to provide health services during a public health emergency.

**(b) Requirements**

The interoperable network of systems established under subsection (a) (referred to in this section as the “verification network”) shall include—

(1) with respect to each volunteer health professional included in the verification network—

(A) information necessary for the rapid identification of, and communication with, such professionals; and

(B) the credentials, certifications, licenses, and relevant training of such individuals; and

(2) the name of each member of the Medical Reserve Corps, the National Disaster Medical System, and any other relevant federally-sponsored or administered programs determined necessary by the Secretary.

**(c) Other assistance**

The Secretary may make grants and provide technical assistance to States and other public or nonprofit private entities for activities relating to the verification network developed under subsection (a) of this section.

**(d) Accessibility**

The Secretary shall ensure that the verification network is electronically accessible by State, local, and tribal health departments and can be linked with the identification cards under section 300hh-15 of this title.

**(e) Confidentiality**

The Secretary shall establish and require the application of and compliance with measures to ensure the effective security of, integrity of, and access to the data included in the verification network.

**(f) Coordination**

The Secretary shall coordinate with the Secretary of Veterans Affairs and the Secretary of Homeland Security to assess the feasibility of integrating the verification network under this section with the VetPro system of the Department of Veterans Affairs and the National Emergency Responder Credentialing System of the Department of Homeland Security. The Secretary shall, if feasible, integrate the verification network under this section with such VetPro system and the National Emergency Responder Credentialing System.

**(g) Updating of information**

The States that are participants in the verification network shall, on at least a quarterly basis, work with the Director to provide for the updating of the information contained in the verification network.

**(h) Clarification**

Inclusion of a health professional in the verification network shall not constitute appointment of such individual as a Federal employee for any purpose, either under section 300hh-11(c) of this title or otherwise. Such appointment may only be made under section 300hh-11 or 300hh-15 of this title.

**(i) Health care provider licenses**

The Secretary shall encourage States to establish and implement mechanisms to waive the application of licensing requirements applicable to health professionals, who are seeking to provide medical services (within their scope of practice), during a national, State, local, or tribal public health emergency upon verification that such health professionals are licensed and in good standing in another State and have not been disciplined by any State health licensing or disciplinary board.

**(j) Rule of construction**

This section may not be construed as authorizing the Secretary to issue requirements regarding the provision by the States of credentials, licenses, accreditations, or hospital privileges.

**(k) Authorization of appropriations**

For the purpose of carrying out this section, there are authorized to be appropriated \$5,000,000 for each of fiscal years 2014 through 2018.

(July 1, 1944, ch. 373, title III, §319I, as added Pub. L. 107-188, title I, §107, June 12, 2002, 116 Stat. 608; amended Pub. L. 109-417, title III, §303(b), Dec. 19, 2006, 120 Stat. 2857; Pub. L. 113-5, title II, §203(b)(1), Mar. 13, 2013, 127 Stat. 175.)

AMENDMENTS

2013—Subsec. (k). Pub. L. 113-5 substituted “\$5,000,000 for each of fiscal years 2014 through 2018” for “\$2,000,000 for fiscal year 2002, and such sums as may be necessary for each of the fiscal years 2003 through 2011”.

2006—Subsecs. (a), (b). Pub. L. 109-417, §303(b)(2), added subsecs. (a) and (b) and struck out former subsecs. (a) and (b) which related to establishment of a verification system and provisions regarding its promptness and efficiency.

Subsec. (c). Pub. L. 109-417, §303(b)(3), substituted “network” for “system”.

Subsecs. (d) to (k). Pub. L. 109-417, §303(b)(1), (4), (5), added subsecs. (d) to (i), redesignated former subsecs. (e) and (f) as (j) and (k), respectively, substituted “2011” for “2006” in subsec. (k), and struck out heading and text of former subsec. (d). Text read as follows: “The Secretary may encourage each State to provide legal authority during a public health emergency for health professionals authorized in another State to provide certain health services to provide such health services in the State.”

**§ 247d-7c. Supplies and services in lieu of award funds**

**(a) In general**

Upon the request of a recipient of an award under any of sections 247d through 247d-7b of this title or section 247d-7d of this title, the Secretary may, subject to subsection (b) of this section, provide supplies, equipment, and services for the purpose of aiding the recipient in carrying out the purposes for which the award is made and, for such purposes, may detail to the recipient any officer or employee of the Department of Health and Human Services.

**(b) Corresponding reduction in payments**

With respect to a request described in subsection (a) of this section, the Secretary shall reduce the amount of payments under the award involved by an amount equal to the costs of detailing personnel and the fair market value of any supplies, equipment, or services provided by the Secretary. The Secretary shall, for the payment of expenses incurred in complying with such request, expend the amounts withheld.

(July 1, 1944, ch. 373, title III, §319J, as added Pub. L. 107-188, title I, §110, June 12, 2002, 116 Stat. 611.)

**§ 247d-7d. Security for countermeasure development and production**

**(a) In general**

The Secretary, in consultation with the Attorney General and the Secretary of Defense, may provide technical or other assistance to provide security to persons or facilities that conduct development, production, distribution, or storage of priority countermeasures (as defined in section 247d-6(h)(4) of this title).

**(b) Guidelines**

The Secretary may develop guidelines to enable entities eligible to receive assistance under subsection (a) of this section to secure their facilities against potential terrorist attack.

(July 1, 1944, ch. 373, title III, §319K, as added Pub. L. 107-188, title I, §124, June 12, 2002, 116 Stat. 614.)

**§ 247d-7e. Biomedical Advanced Research and Development Authority**

**(a) Definitions**

In this section:

**(1) BARDA**

The term “BARDA” means the Biomedical Advanced Research and Development Authority.

**(2) Fund**

The term “Fund” means the Biodefense Medical Countermeasure Development Fund established under subsection (d).

**(3) Other transactions**

The term “other transactions” means transactions, other than procurement contracts, grants, and cooperative agreements, such as the Secretary of Defense may enter into under section 2371 of title 10.

**(4) Qualified countermeasure**

The term “qualified countermeasure” has the meaning given such term in section 247d-6a of this title.

**(5) Qualified pandemic or epidemic product**

The term “qualified pandemic or epidemic product” has the meaning given the term in section 247d-6d of this title.

**(6) Advanced research and development**

**(A) In general**

The term “advanced research and development” means, with respect to a product that is or may become a qualified countermeasure or a qualified pandemic or epidemic product, activities that predominantly—

(i) are conducted after basic research and preclinical development of the product; and

(ii) are related to manufacturing the product on a commercial scale and in a form that satisfies the regulatory requirements under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] or under section 262 of this title.

**(B) Activities included**

The term under subparagraph (A) includes—

(i) testing of the product to determine whether the product may be approved, cleared, or licensed under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] or under section 262 of this title for a use that is or may be the basis for such product becoming a qualified countermeasure or qualified pandemic or epidemic product, or to help obtain such approval, clearance, or license;

(ii) design and development of tests or models, including animal models, for such testing;

(iii) activities to facilitate manufacture of the product on a commercial scale with consistently high quality, as well as to im-
