

istrator, acting in consultation with other Federal agencies, to support and conduct periodic analyses and evaluations of effective prevention programs for abuse of and addiction to 3,4-methylenedioxy methamphetamine, related drugs, and other club drugs and the development of appropriate strategies for disseminating information about and implementing such programs.

(2) Report

The Administrator shall annually prepare and submit to the Committee on Health, Education, Labor, and Pensions, the Committee on the Judiciary, and the Committee on Appropriations of the Senate, and the Committee on Commerce, the Committee on the Judiciary, and the Committee on Appropriations of the House of Representatives, a report containing the results of the analyses and evaluations conducted under paragraph (1).

(e) Authorization of appropriations

There is authorized to be appropriated to carry out this section—

- (1) \$10,000,000 for fiscal year 2001; and
- (2) such sums as may be necessary for each succeeding fiscal year.

(July 1, 1944, ch. 373, title V, §506B, as added Pub. L. 106-310, div. B, title XXXVI, §3665(a), Oct. 17, 2000, 114 Stat. 1244.)

CHANGE OF NAME

Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

FINDINGS

Pub. L. 106-310, div. B, title XXXVI, §3662, Oct. 17, 2000, 114 Stat. 1241, provided that: “Congress makes the following findings:

“(1) The illegal importation of 3,4-methylenedioxy methamphetamine, commonly referred to as ‘MDMA’ or ‘Ecstasy’ (referred to in this subtitle [subtitle C (§§3661-3665) of title XXXVI of div. B of Pub. L. 106-310, see section 3661 of Pub. L. 106-310, set out as a Short Title of 2000 Amendment note under section 201 of this title] as ‘Ecstasy’), has increased in recent years, as evidenced by the fact that Ecstasy seizures by the United States Customs Service have increased from less than 500,000 tablets during fiscal year 1997 to more than 9,000,000 tablets during the first 9 months of fiscal year 2000.

“(2) Use of Ecstasy can cause long-lasting, and perhaps permanent, damage to the serotonin system of the brain, which is fundamental to the integration of information and emotion, and this damage can cause long-term problems with learning and memory.

“(3) Due to the popularity and marketability of Ecstasy, there are numerous Internet websites with information on the effects of Ecstasy, the production of Ecstasy, and the locations of Ecstasy use (often referred to as ‘raves’). The availability of this information targets the primary users of Ecstasy, who are most often college students, young professionals, and other young people from middle- to high-income families.

“(4) Greater emphasis needs to be placed on—

“(A) penalties associated with the manufacture, distribution, and use of Ecstasy;

“(B) the education of young people on the negative health effects of Ecstasy, since the reputation

of Ecstasy as a ‘safe’ drug is the most dangerous component of Ecstasy;

“(C) the education of State and local law enforcement agencies regarding the growing problem of Ecstasy trafficking across the United States;

“(D) reducing the number of deaths caused by Ecstasy use and the combined use of Ecstasy with other ‘club’ drugs and alcohol; and

“(E) adequate funding for research by the National Institute on Drug Abuse to—

“(i) identify those most vulnerable to using Ecstasy and develop science-based prevention approaches tailored to the specific needs of individuals at high risk;

“(ii) understand how Ecstasy produces its toxic effects and how to reverse neurotoxic damage;

“(iii) develop treatments, including new medications and behavioral treatment approaches;

“(iv) better understand the effects that Ecstasy has on the developing children and adolescents; and

“(v) translate research findings into useful tools and ensure their effective dissemination.”

PART B—CENTERS AND PROGRAMS

SUBPART 1—CENTER FOR SUBSTANCE ABUSE TREATMENT

§ 290bb. Center for Substance Abuse Treatment

(a) Establishment

There is established in the Administration a Center for Substance Abuse Treatment (hereafter in this section referred to as the "Center"). The Center shall be headed by a Director (hereafter in this section referred to as the "Director") appointed by the Secretary from among individuals with extensive experience or academic qualifications in the treatment of substance abuse or in the evaluation of substance abuse treatment systems.

(b) Duties

The Director of the Center shall—

(1) administer the substance abuse treatment block grant program authorized in section 300x-21 of this title;

(2) ensure that emphasis is placed on children and adolescents in the development of treatment programs;

(3) collaborate with the Attorney General to develop programs to provide substance abuse treatment services to individuals who have had contact with the Justice system, especially adolescents;

(4) collaborate with the Director of the Center for Substance Abuse Prevention in order to provide outreach services to identify individuals in need of treatment services, with emphasis on the provision of such services to pregnant and postpartum women and their infants and to individuals who abuse drugs intravenously;

(5) collaborate with the Director of the National Institute on Drug Abuse, with the Director of the National Institute on Alcohol Abuse and Alcoholism, and with the States to promote the study, dissemination, and implementation of research findings that will improve the delivery and effectiveness of treatment services;

(6) collaborate with the Administrator of the Health Resources and Services Administration

and the Administrator of the Centers for Medicare & Medicaid Services to promote the increased integration into the mainstream of the health care system of the United States of programs for providing treatment services;

(7) evaluate plans submitted by the States pursuant to section 300x-32(a)(6) of this title in order to determine whether the plans adequately provide for the availability, allocation, and effectiveness of treatment services;

(8) sponsor regional workshops on improving the quality and availability of treatment services;

(9) provide technical assistance to public and nonprofit private entities that provide treatment services, including technical assistance with respect to the process of submitting to the Director applications for any program of grants or contracts carried out by the Director;

(10) encourage the States to expand the availability (relative to fiscal year 1992) of programs providing treatment services through self-run, self-supported recovery based on the programs of housing operated pursuant to section 300x-25 of this title;

(11) carry out activities to educate individuals on the need for establishing treatment facilities within their communities;

(12) encourage public and private entities that provide health insurance to provide benefits for outpatient treatment services and other nonhospital-based treatment services;

(13) evaluate treatment programs to determine the quality and appropriateness of various forms of treatment, which shall be carried out through grants, contracts, or cooperative agreements provided to public or nonprofit private entities; and

(14) in carrying out paragraph (13), assess the quality, appropriateness, and costs of various treatment forms for specific patient groups.

(c) Grants and contracts

In carrying out the duties established in subsection (b) of this section, the Director may make grants to and enter into contracts and cooperative agreements with public and nonprofit private entities.

(July 1, 1944, ch. 373, title V, § 507, as added Pub. L. 102-321, title I, § 107(2), July 10, 1992, 106 Stat. 335; amended Pub. L. 106-310, div. B, title XXXI, § 3112(a), Oct. 17, 2000, 114 Stat. 1188; Pub. L. 108-173, title IX, § 900(e)(2)(B), Dec. 8, 2003, 117 Stat. 2372.)
