

STUDY OF PERSONNEL FOR HEALTH NEEDS OF ELDERLY

Section 8 of Pub. L. 99-158 directed Secretary to conduct a study on the adequacy and availability of personnel to meet the current and projected health needs (including needs for home and community-based care) of elderly Americans through the year 2020, and report the results of the study, with recommendations, to Congress by Mar. 1, 1987.

§ 285e-1. Special functions**(a) Education and training of adequate numbers of personnel**

In carrying out the training responsibilities under this chapter or any other Act for health and allied health professions personnel, the Secretary shall take appropriate steps to insure the education and training of adequate numbers of allied health, nursing, and paramedical personnel in the field of health care for the aged.

(b) Scientific studies

The Director of the Institute shall conduct scientific studies to measure the impact on the biological, medical, social, and psychological aspects of aging of programs and activities assisted or conducted by the Department of Health and Human Services.

(c) Public information and education programs

The Director of the Institute shall carry out public information and education programs designed to disseminate as widely as possible the findings of research sponsored by the Institute, other relevant aging research and studies, and other information about the process of aging which may assist elderly and near-elderly persons in dealing with, and all Americans in understanding, the problems and processes associated with growing older.

(d) Grants for research relating to Alzheimer's Disease

The Director of the Institute shall make grants to public and private nonprofit institutions to conduct research relating to Alzheimer's Disease.

(July 1, 1944, ch. 373, title IV, § 444, as added Pub. L. 99-158, § 2, Nov. 20, 1985, 99 Stat. 854.)

§ 285e-2. Alzheimer's Disease centers**(a) Cooperative agreements and grants for establishing and supporting**

(1) The Director of the Institute may enter into cooperative agreements with and make grants to public or private nonprofit entities (including university medical centers) to pay all or part of the cost of planning, establishing, or strengthening, and providing basic operating support (including staffing) for centers for basic and clinical research (including multidisciplinary research) into, training in, and demonstration of advanced diagnostic, prevention, and treatment methods for Alzheimer's disease.

(2) A cooperative agreement or grant under paragraph (1) shall be entered into in accordance with policies established by the Director of NIH and after consultation with the Institute's advisory council.

(b) Use of Federal payments under cooperative agreement or grant

(1) Federal payments made under a cooperative agreement or grant under subsection (a) of

this section may, with respect to Alzheimer's disease, be used for—

(A) diagnostic examinations, patient assessments, patient care costs, and other costs necessary for conducting research;

(B) training, including training for allied health professionals;

(C) diagnostic and treatment clinics designed to meet the special needs of minority and rural populations and other underserved populations;

(D) activities to educate the public; and

(E) the dissemination of information.

(2) For purposes of paragraph (1), the term "training" does not include research training for which Ruth L. Kirschstein National Research Service Awards may be provided under section 288 of this title.

(c) Support period; additional periods

Support of a center under subsection (a) of this section may be for a period of not to exceed five years. Such period may be extended by the Director for additional periods of not more than five years each if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

(July 1, 1944, ch. 373, title IV, § 445, as added Pub. L. 99-158, § 2, Nov. 20, 1985, 99 Stat. 855; amended Pub. L. 101-557, title II, § 201, Nov. 15, 1990, 104 Stat. 2767; Pub. L. 107-206, title I, § 804(c), Aug. 2, 2002, 116 Stat. 874.)

AMENDMENTS

2002—Subsec. (b)(2). Pub. L. 107-206 substituted "Ruth L. Kirschstein National Research Service Awards" for "National Research Service Awards".

1990—Subsec. (a)(1). Pub. L. 101-557, § 201(1), inserted "(including university medical centers)" after "nonprofit entities", "(including staffing)" after "operating support", and "(including multidisciplinary research)" after "clinical research" and substituted "Alzheimer's disease" for "Alzheimer's Disease".

Subsec. (b). Pub. L. 101-557, § 201(2), amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: "Federal payments made under a cooperative agreement or grant under subsection (a) of this section may be used for—

"(1) construction (notwithstanding any limitation under section 289e of this title);

"(2) staffing and other basic operating costs, including such patient care costs as are required for research;

"(3) training, including training for allied health professionals; and

"(4) demonstration purposes.

As used in this subsection, the term 'construction' does not include the acquisition of land, and the term 'training' does not include research training for which National Research Service Awards may be provided under section 288 of this title."

ALZHEIMER'S DISEASE RESEARCH

Pub. L. 100-175, title III, Nov. 29, 1987, 101 Stat. 972, provided that:

"SEC. 301. REQUIREMENT FOR CLINICAL TRIALS.

"(a) IN GENERAL.—The Director of the National Institute on Aging shall provide for the conduct of clinical trials on the efficacy of the use of such promising therapeutic agents as have been or may be discovered and recommended for further scientific analysis by the
