§ 285e-7. Clearinghouse on Alzheimer’s Disease

(a) Establishment; purpose; duties; publication of summary

The Director of the Institute shall establish the Clearinghouse on Alzheimer’s Disease (hereinafter referred to as the “Clearinghouse”). The purpose of the Clearinghouse is the dissemination of information concerning services available for individuals with Alzheimer’s disease and related dementias and their families. The Clearinghouse shall—

(1) compile, archive, and disseminate information concerning research, demonstration, evaluation, and training programs and projects concerning Alzheimer’s disease and related dementias; and

(2) annually publish a summary of the information compiled under paragraph (1) during the preceding 12-month period, and make such information available upon request to appropriate individuals and entities, including educational institutions, research entities, and Federal and public agencies.

(b) Fee for information

The Clearinghouse may charge an appropriate fee for information provided through the toll-free telephone line established under subsection (a)(3).¹

(c) Summaries of research findings from other agencies

The Director of the Institute, the Director of the National Institute of Mental Health, and the Director of the National Center for Health Services Research and Health Care Technology Assessment shall provide to the Clearinghouse summaries of the findings of research conducted under part D.

Subsec. (c). Pub. L. 100-607, §142(d)(4)(B), substituted “the Institute” for “the National Institute on Aging” and “part D” for “part E”.

§ 285e-8. Dissemination project

(a) Grant or contract for establishment

The Director of the Institute shall make a grant to, or enter into a contract with, a national organization representing individuals with Alzheimer’s disease and related dementias for the conduct of the activities described in subsection (b) of this section.

(b) Project activities

The organization receiving a grant or contract under this section shall—

(1) establish a central computerized information system to—

(A) compile and disseminate information concerning initiatives by State and local governments and private entities to provide programs and services for individuals with Alzheimer’s disease and related dementias; and

(B) translate scientific and technical information concerning such initiatives into information readily understandable by the general public, and make such information available upon request; and

(2) establish a national toll-free telephone line to make available the information described in paragraph (1), and information concerning Federal programs, services, and benefits for individuals with Alzheimer’s disease and related dementias and their families.

(c) Fees for information; exception

The organization receiving a grant or contract under this section may charge appropriate fees for information provided through the toll-free telephone line established under subsection (b)(2) of this section, and may make exceptions to such fees for individuals and organizations who are not financially able to pay such fees.

(d) Application for grant or contract; contents

In order to receive a grant or contract under this section, an organization shall submit an application to the Director of the Institute. Such application shall contain—

(1) information demonstrating that such organization has a network of contacts which

¹ So in original. No subsec. (a)(3) has been enacted.

will enable such organization to receive information necessary to the operation of the central computerized information system described in subsection (b)(1) of this section;

(2) information demonstrating that, by the end of fiscal year 1991, such organization will be financially able to, and will, carry out the activities described in subsection (b) of this section without a grant or contract from the Federal Government; and

(3) such other information as the Director may prescribe.

Subsec. (a). Pub. L. 103-43, §801(b)(1), substituted in heading “In general” for “Grant authority” and in text substituted “Director of the Institute” for “Director of the National Institute on Aging”.

Subsec. (c). Pub. L. 103-43, §801(b)(2), struck out subsec. (c) which authorized appropriations of \$2,500,000 for grants to remain available until expended or through fiscal year 1989, whichever occurred first.

§ 285e-10. Aging processes regarding women

The Director of the Institute, in addition to other special functions specified in section

285e-1 of this title and in cooperation with the Directors of the other national research institutes and agencies of the National Institutes of Health, shall conduct research into the aging processes of women, with particular emphasis given to the effects of menopause and the physiological and behavioral changes occurring during the transition from pre- to post-menopause, and into the diagnosis, disorders, and complications related to aging and loss of ovarian hormones in women.

(July 1, 1944, ch. 373, title IV, §445H, as added Pub. L. 103-43, title VIII, §802, June 10, 1993, 107 Stat. 163; amended Pub. L. 105-340, title I, §105, Oct. 31, 1998, 112 Stat. 3193; Pub. L. 109-482, title I, §103(b)(24), Jan. 15, 2007, 120 Stat. 3688.)

AMENDMENTS

2007—Pub. L. 109-482 struck out subsec. (a) designation before “The Director” and subsec. (b) which read as follows: “For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 1999 through 2003. The authorization of appropriations established in the preceding sentence is in addition to any other authorization of appropriation that is available for such purpose.”

1998—Pub. L. 105-340 designated existing provisions as subsec. (a) and added subsec. (b).

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109-482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109-482, set out as a note under section 281 of this title.

§ 285e-10a. Alzheimer’s clinical research and training awards

(a) In general

The Director of the Institute is authorized to establish and maintain a program to enhance and promote the translation of new scientific knowledge into clinical practice related to the diagnosis, care and treatment of individuals with Alzheimer’s disease.

(b) Support of promising clinicians

In order to foster the application of the most current developments in the etiology, pathogenesis, diagnosis, prevention and treatment of Alzheimer’s disease, amounts made available under this section shall be directed to the support of promising clinicians through awards for research, study, and practice at centers of excellence in Alzheimer’s disease research and treatment.

(c) Excellence in certain fields

Research shall be carried out under awards made under subsection (b) of this section in environments of demonstrated excellence in neuroscience, neurobiology, geriatric medicine, and psychiatry and shall foster innovation and integration of such disciplines or other environments determined suitable by the Director of the Institute.
