

SUBPART 8—NATIONAL INSTITUTE OF DENTAL
RESEARCH

§ 285h. Purpose of Institute

The general purpose of the National Institute of Dental Research is the conduct and support of research, training, health information dissemination, and other programs with respect to the cause, prevention, and methods of diagnosis and treatment of dental and oral diseases and conditions.

(July 1, 1944, ch. 373, title IV, § 453, as added Pub. L. 99-158, § 2, Nov. 20, 1985, 99 Stat. 856.)

SUBPART 9—NATIONAL EYE INSTITUTE

§ 285i. Purpose of Institute

The general purpose of the National Eye Institute (hereafter in this subpart referred to as the "Institute") is the conduct and support of research, training, health information dissemination, and other programs with respect to blinding eye diseases, visual disorders, mechanisms of visual function, preservation of sight, and the special health problems and requirements of the blind. Subject to section 285i-1 of this title, the Director of the Institute may carry out a program of grants for public and private nonprofit vision research facilities.

(July 1, 1944, ch. 373, title IV, § 455, as added Pub. L. 99-158, § 2, Nov. 20, 1985, 99 Stat. 856; amended Pub. L. 103-43, title XI, § 1101(b), June 10, 1993, 107 Stat. 169.)

AMENDMENTS

1993—Pub. L. 103-43 substituted "Subject to section 285i-1 of this title, the Director" for "The Director" in second sentence.

§ 285i-1. Clinical research on eye care and diabetes

(a) Program of grants

The Director of the Institute, in consultation with the advisory council for the Institute, may award research grants to one or more Diabetes Eye Research Institutions for the support of programs in clinical or health services aimed at—

- (1) providing comprehensive eye care services for people with diabetes, including a full complement of preventive, diagnostic and treatment procedures;
- (2) developing new and improved techniques of patient care through basic and clinical research;
- (3) assisting in translation of the latest research advances into clinical practice; and
- (4) expanding the knowledge of the eye and diabetes through further research.

(b) Use of funds

Amounts received under a grant awarded under this section shall be used for the following:

- (1) Establishing the biochemical, cellular, and genetic mechanisms associated with diabetic eye disease and the earlier detection of pending eye abnormalities. The focus of work under this paragraph shall require that ophthalmologists have training in the most up-to-date molecular and cell biological methods.

(2) Establishing new frontiers in technology, such as video-based diagnostic and research resources, to—

- (A) provide improved patient care;
- (B) provide for the evaluation of retinal physiology and its affect on diabetes; and
- (C) provide for the assessment of risks for the development and progression of diabetic eye disease and a more immediate evaluation of various therapies aimed at preventing diabetic eye disease.

Such technologies shall be designed to permit evaluations to be performed both in humans and in animal models.

(3) The translation of the results of vision research into the improved care of patients with diabetic eye disease. Such translation shall require the application of institutional resources that encompass patient care, clinical research and basic laboratory research.

(4) The conduct of research concerning the outcomes of eye care treatments and eye health education programs as they relate to patients with diabetic eye disease, including the evaluation of regional approaches to such research.

(c) Authorized expenditures

The purposes for which a grant under subsection (a) of this section may be expended include equipment for the research described in such subsection.

(July 1, 1944, ch. 373, title IV, § 456, as added Pub. L. 103-43, title XI, § 1101(a), June 10, 1993, 107 Stat. 168.)

SUBPART 10—NATIONAL INSTITUTE OF
NEUROLOGICAL DISORDERS AND STROKE

AMENDMENTS

1988—Pub. L. 100-553, § 2(2), Oct. 28, 1988, 102 Stat. 2769, and Pub. L. 100-607, title I, § 101(2), Nov. 4, 1988, 102 Stat. 3049, made identical amendments to subpart heading, substituting "Neurological Disorders" for "Neurological and Communicative Disorders". Pub. L. 100-690, title II, § 2613(b)(2), Nov. 18, 1988, 102 Stat. 4238, amended subpart heading to read as if the amendment by Pub. L. 100-607 had not been enacted.

§ 285j. Purpose of Institute

The general purpose of the National Institute of Neurological Disorders and Stroke (hereafter in this subpart referred to as the "Institute") is the conduct and support of research, training, health information dissemination, and other programs with respect to neurological disease and disorder and stroke.

(July 1, 1944, ch. 373, title IV, § 457, as added Pub. L. 99-158, § 2, Nov. 20, 1985, 99 Stat. 857; amended Pub. L. 100-553, § 2(3), Oct. 28, 1988, 102 Stat. 2769; Pub. L. 100-607, title I, § 101(3), Nov. 4, 1988, 102 Stat. 3049; Pub. L. 100-690, title II, § 2613(b)(2), Nov. 18, 1988, 102 Stat. 4238; Pub. L. 101-93, § 5(a), Aug. 16, 1989, 103 Stat. 611.)

AMENDMENTS

1989—Pub. L. 101-93 substituted "disease and" for "disease and and".

1988—Pub. L. 100-553 and Pub. L. 100-607 made identical amendments, substituting "Neurological Disorders" for "Neurological and Communicative Dis-
