

(3) Priorities in making awards

In awarding grants or contracts under paragraph (1), the Secretary shall give priority to qualified applicants that—

(A) proposes¹ a collaborative project between academic administrative units of primary care;

(B) proposes¹ innovative approaches to clinical teaching using models of primary care, such as the patient centered medical home, team management of chronic disease, and interprofessional integrated models of health care that incorporate transitions in health care settings and integration physical and mental health provision;

(C) have a record of training the greatest percentage of providers, or that have demonstrated significant improvements in the percentage of providers trained, who enter and remain in primary care practice;

(D) have a record of training individuals who are from underrepresented minority groups or from a rural or disadvantaged background;

(E) provide training in the care of vulnerable populations such as children, older adults, homeless individuals, victims of abuse or trauma, individuals with mental health or substance-related disorders, individuals with HIV/AIDS, and individuals with disabilities;

(F) establish formal relationships and submit joint applications with federally qualified health centers, rural health clinics, area health education centers, or clinics located in underserved areas or that serve underserved populations;

(G) teach trainees the skills to provide interprofessional, integrated care through collaboration among health professionals;

(H) provide training in enhanced communication with patients, evidence-based practice, chronic disease management, preventive care, health information technology, or other competencies as recommended by the Advisory Committee on Training in Primary Care Medicine and Dentistry and the National Health Care Workforce Commission established in section 294q of this title; or

(I) provide training in cultural competency and health literacy.

(4) Duration of awards

The period during which payments are made to an entity from an award of a grant or contract under this subsection shall be 5 years.

(c) Authorization of appropriations**(1) In general**

For purposes of carrying out this section (other than subsection (b)(1)(B)), there are authorized to be appropriated \$125,000,000 for fiscal year 2010, and such sums as may be necessary for each of fiscal years 2011 through 2014.

(2) Training programs

Fifteen percent of the amount appropriated pursuant to paragraph (1) in each such fiscal

year shall be allocated to the physician assistant training programs described in subsection (a)(1)(F), which prepare students for practice in primary care.

(3) Integrating academic administrative units

For purposes of carrying out subsection (b)(1)(B), there are authorized to be appropriated \$750,000 for each of fiscal years 2010 through 2014.

(July 1, 1944, ch. 373, title VII, §747, as added Pub. L. 111-148, title V, §5301, Mar. 23, 2010, 124 Stat. 615.)

CODIFICATION

Pub. L. 111-148, title V, §5301, Mar. 23, 2010, 124 Stat. 615, which directed the amendment of part C of title VII by striking out section 747 and inserting a new section 747, without specifying the act to be amended, was executed as an amendment to part C of title VII of act July 1, 1944, by adding this section and repealing former section 293k of this title, to reflect the probable intent of Congress.

PRIOR PROVISIONS

A prior section 293k, act July 1, 1944, ch. 373, title VII, §747, as added Pub. L. 102-408, title I, §102, Oct. 13, 1992, 106 Stat. 2042; amended Pub. L. 105-392, title I, §102(3), Nov. 13, 1998, 112 Stat. 3537, related to grants and contracts for training in family medicine, general internal medicine, general pediatrics, general dentistry, and pediatric dentistry, and training for physician assistants, prior to repeal by Pub. L. 111-148, title V, §5301, Mar. 23, 2010, 124 Stat. 615. See Codification note above.

A prior section 747 of act July 1, 1944, was classified to section 294q-3 of this title prior to the general revision of this subchapter by Pub. L. 102-408.

Another prior section 747 of act July 1, 1944, was classified to section 294g of this title prior to repeal by Pub. L. 94-484.

§ 293k-1. Training opportunities for direct care workers**(a) In general**

The Secretary shall award grants to eligible entities to enable such entities to provide new training opportunities for direct care workers who are employed in long-term care settings such as nursing homes (as defined in section 1396g(e)(1) of this title), assisted living facilities and skilled nursing facilities, intermediate care facilities for individuals with mental retardation, home and community based settings, and any other setting the Secretary determines to be appropriate.

(b) Eligibility

To be eligible to receive a grant under this section, an entity shall—

(1) be an institution of higher education (as defined in section 1002 of title 20) that—

(A) is accredited by a nationally recognized accrediting agency or association listed under section 1001(c) of title 20; and

(B) has established a public-private educational partnership with a nursing home or skilled nursing facility, agency or entity providing home and community based services to individuals with disabilities, or other long-term care provider; and

(2) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

¹ So in original. Probably should be "propose".

(c) Use of funds

An eligible entity shall use amounts awarded under a grant under this section to provide assistance to eligible individuals to offset the cost of tuition and required fees for enrollment in academic programs provided by such entity.

(d) Eligible individual**(1) Eligibility**

To be eligible for assistance under this section, an individual shall be enrolled in courses provided by a grantee under this subsection and maintain satisfactory academic progress in such courses.

(2) Condition of assistance

As a condition of receiving assistance under this section, an individual shall agree that, following completion of the assistance period, the individual will work in the field of geriatrics, disability services, long term services and supports, or chronic care management for a minimum of 2 years under guidelines set by the Secretary.

(e) Authorization of appropriations

There is authorized to be appropriated to carry out this section, \$10,000,000 for the period of fiscal years 2011 through 2013.

(July 1, 1944, ch. 373, title VII, §747A, as added Pub. L. 111-148, title V, §5302, Mar. 23, 2010, 124 Stat. 617.)

§ 293k-2. Training in general, pediatric, and public health dentistry**(a) Support and development of dental training programs****(1) In general**

The Secretary may make grants to, or enter into contracts with, a school of dentistry, public or nonprofit private hospital, or a public or private nonprofit entity which the Secretary has determined is capable of carrying out such grant or contract—

(A) to plan, develop, and operate, or participate in, an approved professional training program in the field of general dentistry, pediatric dentistry, or public health dentistry for dental students, residents, practicing dentists, dental hygienists, or other approved primary care dental trainees, that emphasizes training for general, pediatric, or public health dentistry;

(B) to provide financial assistance to dental students, residents, practicing dentists, and dental hygiene students who are in need thereof, who are participants in any such program, and who plan to work in the practice of general, pediatric, public health dentistry, or dental hygiene;

(C) to plan, develop, and operate a program for the training of oral health care providers who plan to teach in general, pediatric, public health dentistry, or dental hygiene;

(D) to provide financial assistance in the form of traineeships and fellowships to dentists who plan to teach or are teaching in general, pediatric, or public health dentistry;

(E) to meet the costs of projects to establish, maintain, or improve dental faculty de-

velopment programs in primary care (which may be departments, divisions or other units);

(F) to meet the costs of projects to establish, maintain, or improve predoctoral and postdoctoral training in primary care programs;

(G) to create a loan repayment program for faculty in dental programs; and

(H) to provide technical assistance to pediatric training programs in developing and implementing instruction regarding the oral health status, dental care needs, and risk-based clinical disease management of all pediatric populations with an emphasis on underserved children.

(2) Faculty loan repayment**(A) In general**

A grant or contract under subsection (a)(1)(G) may be awarded to a program of general, pediatric, or public health dentistry described in such subsection to plan, develop, and operate a loan repayment program under which—

(i) individuals agree to serve full-time as faculty members; and

(ii) the program of general, pediatric or public health dentistry agrees to pay the principal and interest on the outstanding student loans of the individuals.

(B) Manner of payments

With respect to the payments described in subparagraph (A)(ii), upon completion by an individual of each of the first, second, third, fourth, and fifth years of service, the program shall pay an amount equal to 10, 15, 20, 25, and 30 percent, respectively, of the individual's student loan balance as calculated based on principal and interest owed at the initiation of the agreement.

(b) Eligible entity

For purposes of this subsection, entities eligible for such grants or contracts in general, pediatric, or public health dentistry shall include entities that have programs in dental or dental hygiene schools, or approved residency or advanced education programs in the practice of general, pediatric, or public health dentistry. Eligible entities may partner with schools of public health to permit the education of dental students, residents, and dental hygiene students for a master's year in public health at a school of public health.

(c) Priorities in making awards

With respect to training provided for under this section, the Secretary shall give priority in awarding grants or contracts to the following:

(1) Qualified applicants that propose collaborative projects between departments of primary care medicine and departments of general, pediatric, or public health dentistry.

(2) Qualified applicants that have a record of training the greatest percentage of providers, or that have demonstrated significant improvements in the percentage of providers, who enter and remain in general, pediatric, or public health dentistry.

(3) Qualified applicants that have a record of training individuals who are from a rural or
