

(c) Dissemination to schools, etc.

Each State shall provide for the dissemination to local educational agencies, private nonprofit elementary or secondary schools and to day care centers of the guidance document and testing protocol published under subsection (b) of this section, together with the list of drinking water coolers published under section 300j-23(a) of this title.

(d) Remedial action program**(1) Testing and remedying lead contamination**

Within 9 months after October 31, 1988, each State shall establish a program, consistent with this section, to assist local educational agencies in testing for, and remedying, lead contamination in drinking water from coolers and from other sources of lead contamination at schools under the jurisdiction of such agencies.

(2) Public availability

A copy of the results of any testing under paragraph (1) shall be available in the administrative offices of the local educational agency for inspection by the public, including teachers, other school personnel, and parents. The local educational agency shall notify parent, teacher, and employee organizations of the availability of such testing results.

(3) Coolers

In the case of drinking water coolers, such program shall include measures for the reduction or elimination of lead contamination from those water coolers which are not lead free and which are located in schools. Such measures shall be adequate to ensure that within 15 months after October 31, 1988, all such water coolers in schools under the jurisdiction of such agencies are repaired, replaced, permanently removed, or rendered inoperable unless the cooler is tested and found (within the limits of testing accuracy) not to contribute lead to drinking water.

AMENDMENTS

1996—Pub. L. 104-182 made technical amendment to section catchline and subsec. (a) designation.

§ 300j-25. Federal assistance for State programs regarding lead contamination in school drinking water**(a) School drinking water programs**

The Administrator shall make grants to States to establish and carry out State programs under section 300j-24 of this title to assist local educational agencies in testing for, and remedying, lead contamination in drinking water from drinking water coolers and from other sources of lead contamination at schools under the jurisdiction of such agencies. Such grants may be used by States to reimburse local educational agencies for expenses incurred after October 31, 1988, for such testing and remedial action.

(b) Limits

Each grant under this section shall be used by the State for testing water coolers in accordance with section 300j-24 of this title, for testing for lead contamination in other drinking water supplies under section 300j-24 of this title, or for remedial action under State programs under section 300j-24 of this title. Not more than 5 percent of the grant may be used for program administration.

(c) Authorization of appropriations

There are authorized to be appropriated to carry out this section not more than \$30,000,000 for fiscal year 1989, \$30,000,000 for fiscal year 1990, and \$30,000,000 for fiscal year 1991.

(July 1, 1944, ch. 373, title XIV, §1465, as added Pub. L. 100-572, §2(a), Oct. 31, 1988, 102 Stat. 2887; amended Pub. L. 104-182, title V, §501(d), (f)(11), Aug. 6, 1996, 110 Stat. 1691, 1692.)

AMENDMENTS

1996—Pub. L. 104-182, §501(f)(11), made technical amendment to section catchline and subsec. (a) designation.

Subsec. (b). Pub. L. 104-182, §501(d), substituted “by the State” for “as by the State”.

§ 300j-26. Certification of testing laboratories

The Administrator of the Environmental Protection Agency shall assure that programs for the certification of testing laboratories which test drinking water supplies for lead contamination certify only those laboratories which provide reliable accurate testing. The Administrator (or the State in the case of a State to which certification authority is delegated under this subsection) shall publish and make available to the public upon request the list of laboratories certified under this subsection.¹

(Pub. L. 100-572, §4, Oct. 31, 1988, 102 Stat. 2889.)

CODIFICATION

Section enacted as part of the Lead Contamination Control Act of 1988, and not as part of the Public Health Service Act which comprises this chapter.

SUBCHAPTER XIII—PREVENTIVE HEALTH MEASURES WITH RESPECT TO BREAST AND CERVICAL CANCERS**§ 300k. Establishment of program of grants to States****(a) In general**

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to States on the basis of an established competitive review process for the purpose of carrying out programs—

(1) to screen women for breast and cervical cancer as a preventive health measure;

(2) to provide appropriate referrals for medical treatment of women screened pursuant to paragraph (1) and to ensure, to the extent practicable, the provision of appropriate follow-up services and support services such as case management;

(3) to develop and disseminate public information and education programs for the detection and control of breast and cervical cancer;
