

after receiving such training, in national and international efforts toward the prevention, diagnosis, and treatment of acquired immune deficiency syndrome.

(b) Programs conducted by National Institute of Mental Health

The Secretary, acting through the Director of the National Institute of Mental Health, shall conduct or support fellowship and training programs for individuals pursuing graduate or postgraduate study in order to train such individuals to conduct scientific research into the psychological and social sciences as such sciences relate to acquired immune deficiency syndrome.

(c) Relationship to limitation on number of employees

Any individual receiving a fellowship or receiving training under subsection (a) or (b) of this section shall not be included in any determination of the number of full-time equivalent employees of the Department of Health and Human Services for the purpose of any limitation on the number of such employees established by law prior to, on, or after November 4, 1988.

(d) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each fiscal year.

(July 1, 1944, ch. 373, title XXIII, § 2341, as added Pub. L. 100-607, title II, § 201(4), Nov. 4, 1988, 102 Stat. 3076; amended Pub. L. 100-690, title II, § 2617(e), Nov. 18, 1988, 102 Stat. 4240; Pub. L. 102-531, title III, § 312(d)(21), Oct. 27, 1992, 106 Stat. 3505; Pub. L. 103-43, title XVIII, § 1811(7), June 10, 1993, 107 Stat. 200.)

AMENDMENTS

1993—Subsec. (d). Pub. L. 103-43 substituted “fiscal year” for “of the fiscal years 1989 through 1991”.

1992—Subsec. (a). Pub. L. 102-531, which directed the substitution of “Centers for Disease Control and Prevention” for “Centers for Disease Control”, was executed by making the substitution in two places to reflect the probable intent of Congress.

1988—Subsec. (c). Pub. L. 100-690 substituted “date of the enactment of the AIDS Amendments of 1988” for “date of the enactment of the AIDS Federal Policy Act of 1988” which for purposes of codification was translated as “November 4, 1988”.

EFFECTIVE DATE OF 1988 AMENDMENT

Amendment by Pub. L. 100-690 effective immediately after enactment of Pub. L. 100-607, which was approved Nov. 4, 1988, see section 2600 of Pub. L. 100-690, set out as a note under section 242m of this title.

§ 300cc-40. Establishment of Office

(a) In general

There is established within the National Institutes of Health an office to be known as the Of-

fice of AIDS Research. The Office shall be headed by a director, who shall be appointed by the Secretary.

(b) Duties

(1) Interagency coordination of AIDS activities

With respect to acquired immune deficiency syndrome, the Director of the Office shall plan, coordinate, and evaluate research and other activities conducted or supported by the agencies of the National Institutes of Health. In carrying out the preceding sentence, the Director of the Office shall evaluate the AIDS activities of each of such agencies and shall provide for the periodic reevaluation of such activities.

(2) Consultations

The Director of the Office shall carry out this subpart (including developing and revising the plan required in section 300cc-40c of this title) in consultation with the heads of the agencies of the National Institutes of Health, with the advisory councils of the agencies, and with the advisory council established under section 300cc-40b of this title.

(3) Coordination

The Director of the Office shall act as the primary Federal official with responsibility for overseeing all AIDS research conducted or supported by the National Institutes of Health, and

(A) shall serve to represent the National Institutes of Health AIDS Research Program at all relevant Executive branch task forces and committees; and

(B) shall maintain communications with all relevant Public Health Service agencies and with various other departments of the Federal Government, to ensure the timely transmission of information concerning advances in AIDS research and the clinical treatment of acquired immune deficiency syndrome and its related conditions, between these various agencies for dissemination to affected communities and health care providers.

(July 1, 1944, ch. 373, title XXIII, § 2351, as added Pub. L. 103-43, title XVIII, § 1801(a)(3), June 10, 1993, 107 Stat. 192.)

§ 300cc-40a. Microbicide research

(a) Federal strategic plan

The Director of the Office shall—

(1) expedite the implementation of the Federal strategic plans required by section 283(a) of this title regarding the conduct and support of research on, and development of, a microbicide to prevent the transmission of the human immunodeficiency virus; and

(2) review and, as appropriate, revise such plan to prioritize funding and activities relative to their scientific urgency and potential market readiness.

(b) Coordination

In implementing, reviewing, and prioritizing elements of the plan described in subsection (a), the Director of the Office shall consult, as appropriate, with—
