PART C—STRENGTHENING PUBLIC HEALTH SURVEILLANCE SYSTEMS

§ 300hh-31. Epidemiology-laboratory capacity grants

(a) In general

Subject to the availability of appropriations, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish an Epidemiology and Laboratory

Capacity Grant Program to award grants to State health departments as well as local health departments and tribal jurisdictions that meet such criteria as the Director determines appropriate. Academic centers that assist State and eligible local and tribal health departments may also be eligible for funding under this section as the Director determines appropriate. Grants shall be awarded under this section to assist public health agencies in improving surveillance for, and response to, infectious diseases and other conditions of public health importance by—

(1) strengthening epidemiologic capacity to identify and monitor the occurrence of infectious diseases and other conditions of public health importance;

(2) enhancing laboratory practice as well as systems to report test orders and results electronically;

(3) improving information systems including developing and maintaining an information exchange using national guidelines and complying with capacities and functions determined by an advisory council established and appointed by the Director; and

(4) developing and implementing prevention and control strategies.

(b) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$190,000,000 for each of fiscal years 2010 through 2013, of which—

(1) not less than \$95,000,000 shall be made available each such fiscal year for activities under paragraphs (1) and (4) of subsection (a);

(2) not less than \$60,000,000 shall be made available each such fiscal year for activities under subsection (a)(3); and

(3) not less than \$32,000,000 shall be made available each such fiscal year for activities under subsection (a)(2).

(July 1, 1944, ch. 373, title XXVIII, §2821, as added Pub. L. 111-148, title IV, §4304, Mar. 23, 2010, 124 Stat. 584.)

§ 300ii-1. Lifespan respite care grants and cooperative agreements

(a) Purposes

The purposes of this section are—

(1) to expand and enhance respite care services to family caregivers;

(2) to improve the statewide dissemination and coordination of respite care; and

(3) to provide, supplement, or improve access and quality of respite care services to family caregivers, thereby reducing family caregiver strain.

(b) Authorization

Subject to subsection (e), the Secretary is authorized to award grants or cooperative agreements for the purposes described in subsection (a) to eligible State agencies for which an application is submitted pursuant to subsection (d).

(c) Federal lifespan approach

In carrying out this section, the Secretary shall work in cooperation with the National Family Caregiver Support Program of the Administration on Aging and other respite care programs within the Department of Health and Human Services to ensure coordination of respite care services for family caregivers of children and adults with special needs.

(d) Application

(1) Submission

Each Governor desiring the eligible State agency of his or her State to receive a grant or cooperative agreement under this section shall submit an application on behalf of such agency to the Secretary at such time, in such manner, and containing such information as the Secretary shall require.

(2) Contents

Each application submitted under this section shall include—

(A) a description of the eligible State agency’s—

(i) ability to work with other State and community-based agencies;

(ii) understanding of respite care and family caregiver issues across all age groups, disabilities, and chronic conditions; and

(iii) capacity to ensure meaningful involvement of family members, family caregivers, and care recipients;
