Any costs for items and services covered under such plan that are not reimbursed by such health plan, due to the application of deductibles, copayments, coinsurance, other cost sharing, or otherwise, are reimbursable under this subchapter to the extent that they are covered under the WTC Program. The program under this subchapter shall not be treated as a legally liable party for purposes of applying section 1902(a)(25) of the Social Security Act [42 U.S.C. 1396a(a)(25)].

(2) Recovery by individual providers

Nothing in paragraph (1) shall be construed as requiring an entity providing monitoring and treatment under this subchapter to seek reimbursement under a health plan with which the entity has no contract for reimbursement.

(3) Maintenance of required minimum essential coverage

No payment may be made for monitoring and treatment under this subchapter for an individual for a month (beginning with July 2014) if with respect to such month the individual—

Such contract shall specify the terms under which New York City shall be considered to have made the full payment required for a quarter for purposes of subsection (b)(2).

Under such contract, with respect to the last calendar quarter of fiscal year 2011 and each calendar quarter in fiscal years 2012 through 2015 the full contribution amount under this subparagraph shall be equal to 10 percent of the expenditures in carrying out this subchapter for the respective quarter and with respect to calendar quarters in fiscal year 2016, such full contribution amount shall be equal to $\frac{1}{9}$ of the Federal expenditures in carrying out this subchapter for the respective quarter.

(ii) Recovery of amounts owed

The amounts owed to the WTC Program Administrator under such contract shall be recoverable by the United States in an

(F) Deposit in fund

The WTC Program Administrator shall deposit amounts paid under such contract into the World Trade Center Health Program Fund under section 300mm-61 of this title.

(B) bill such amount directly to New York City; and

Such amount shall initially be estimated by the WTC Program Administrator and shall be subject to adjustment and reconciliation based upon actual expenditures in carrying out this subchapter.

Nothing in this subsection shall be construed as authorizing the WTC Administrator, with respect to a fiscal year, to reduce the numerical limitation under section 300mm-21(a)(4) or 300mm-31(a)(3) of this title for such fiscal year if New York City fails to comply with paragraph (1) for a calendar quarter in such fiscal year.

(e) Work-related described

For the purposes of this section, a WTC-related health condition shall be treated as a condition that is work-related if—

(1) the condition is diagnosed in an enrolled WTC responder, or in an individual who qualifies as a certified-eligible WTC survivor on the basis of being a rescue, recovery, or cleanup worker; or

(2) with respect to the condition the individual has filed and had established a claim under a workers' compensation law or plan of the United States or a State, or other work-related injury or illness benefit plan of the employer of such individual.
