(4) Exemption of territories

This section shall only apply to the 50 States and the District of Columbia.

(b) Asset verification program

A program described in this paragraph is a program for verifying individual assets in a manner consistent with the approach used by the Commissioner of Social Security under section 1383(e)(1)(B)(ii) of this title.

Notwithstanding section 1104(a)(1) of the Right to Financial Privacy Act¹ [12 U.S.C. 3404(a)(1)], an authorization provided to a State under subsection (b)(1) shall remain effective until the earliest of—

(g) Use of contractor

For purposes of implementing an asset verification program under this section, a State may select and enter into a contract with a public or private entity meeting such criteria and qualifications as the State determines appropriate, consistent with requirements in regulations relating to general contracting provisions and with section 1396b(i)(2) of this title. In carrying out activities under such contract, such an entity shall be subject to the same requirements and limitations on use and disclosure of information as would apply if the State were to carry out such activities directly.
