(4) Ineligibility for occupancy for noncompliance

(B) supplant a job at any location at which community work requirements are fulfilled.

(8) Third-party coordinating

A public housing agency may administer the community service requirement under this subsection directly, through a resident organization, or through a contractor having experience in administering volunteer-based community service programs within the service area of the public housing agency. The Secretary may establish qualifications for such organizations and contractors.

(d) Treatment of income changes resulting from welfare program requirements**(1) Covered family**

For purposes of this subsection, the term “covered family” means a family that (A) receives benefits for welfare or public assistance from a State or other public agency under a program for which the Federal, State, or local law relating to the program requires, as a condition of eligibility for assistance under the program, participation of a member of the family in an economic self-sufficiency program, and (B) resides in a public housing dwelling unit or is provided tenant-based assistance under section 1437f of this title.

(2) Decreases in income for failure to comply**(A) In general**

Notwithstanding the provisions of section 1437a(a) of this title (relating to family rental contributions) or paragraph (4) or (5) of section 1437a(b) of this title (relating to definition of income and adjusted income), if the welfare or public assistance benefits of a covered family are reduced under a Federal, State, or local law regarding such an assistance program because of any failure of any member of the family to comply with the conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement, the amount required to be paid by the family as a monthly contribution toward rent may not be decreased, during the period of the reduction, as a result of

any decrease in the income of the family (to the extent that the decrease in income is a result of the benefits reduction).

(B) No reduction based on time limit for assistance

For purposes of this paragraph, a reduction in benefits as a result of the expiration of a lifetime time limit for a family receiving welfare or public assistance benefits shall not be considered to be a failure to comply with the conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement. This paragraph shall apply beginning on October 21, 1998.

(3) Effect of fraud

Notwithstanding the provisions of section 1437a(a) of this title (relating to family rental contributions) or paragraph (4) or (5) of section 1437a(b) of this title (relating to definition of income and adjusted income), if the welfare or public assistance benefits of a covered family are reduced because of an act of fraud by a member of the family under the law or program, the amount required to be paid by the covered family as a monthly contribution toward rent may not be decreased, during the period of the reduction, as a result of any decrease in the income of the family (to the extent that the decrease in income is a result of the benefits reduction). This paragraph shall apply beginning on October 21, 1998.

(4) Notice

Paragraphs (2) and (3) shall not apply to any covered family before the public housing agency providing assistance under this chapter on behalf of the family obtains written notification from the relevant welfare or public assistance agency specifying that the family’s benefits have been reduced because of noncompliance with economic self-sufficiency program or work activities requirements or fraud, and the level of such reduction.

(5) Occupancy rights

This subsection may not be construed to authorize any public housing agency to establish any time limit on tenancy in a public housing dwelling unit or on receipt of tenant-based assistance under section 1437f of this title.

(6) Review

Any covered family residing in public housing that is affected by the operation of this subsection shall have the right to review the determination under this subsection through the administrative grievance procedure established pursuant to section 1437d(k) of this title for the public housing agency.

(7) Cooperation agreements for economic self-sufficiency activities**(A) Requirement**

A public housing agency providing public housing dwelling units or tenant-based assistance under section 1437f of this title for covered families shall make its best efforts to enter into such cooperation agreements, with State, local, and other agencies provid-

ing assistance to covered families under welfare or public assistance programs, as may be necessary, to provide for such agencies to transfer information to facilitate administration of subsection (c) of this section and paragraphs (2), (3), and (4) of this subsection and other information regarding rents, income, and assistance that may assist a public housing agency or welfare or public assistance agency in carrying out its functions.

(B) Contents

A public housing agency shall seek to include in a cooperation agreement under this paragraph requirements and provisions designed to target assistance under welfare and public assistance programs to families residing in public housing projects and families receiving tenant-based assistance under section 1437f of this title, which may include providing for economic self-sufficiency services within such housing, providing for services designed to meet the unique employment-related needs of residents of such housing and recipients of such assistance, providing for placement of workfare positions on-site in such housing, and such other elements as may be appropriate.

(C) Confidentiality

This paragraph may not be construed to authorize any release of information prohibited by, or in contravention of, any other provision of Federal, State, or local law.

(e) Lease provisions

A public housing agency shall incorporate into leases under section 1437d(l) of this title and into agreements for the provision of tenant-based assistance under section 1437f of this title, provisions incorporating the conditions under subsection (d) of this section.

(f) Treatment of income

Notwithstanding any other provision of this section, in determining the income of a family who resides in public housing or receives tenant-based assistance under section 1437f of this title, a public housing agency shall consider any decrease in the income of a family that results from the reduction of any welfare or public assistance benefits received by the family under any Federal, State, or local law regarding a program for such assistance if the family (or a member thereof, as applicable) has complied with the conditions for receiving such assistance and is unable to obtain employment notwithstanding such compliance.

(g) Definition

For purposes of this section, the term “economic self-sufficiency program” means any program designed to encourage, assist, train, or facilitate the economic independence of participants and their families or to provide work for participants, including programs for job training, employment counseling, work placement, basic skills training, education, workfare, financial or household management, apprenticeship, or other activities as the Secretary may provide.
