§ 6807. State utility regulatory assistance

(a) Grants to State utility regulatory commissions and nonregulated electric utilities

The Secretary may make grants to State utility regulatory commissions and nonregulated electric utilities (as defined in the Public Utility Regulatory Policies Act of 1978 [16 U.S.C. 2602]) to carry out duties and responsibilities under titles I [16 U.S.C. 2601 et seq.] and III [15 U.S.C. 3201 et seq.], and section 210 [16 U.S.C. 824a-3], of the Public Utility Regulatory Policies Act of 1978. No grant may be made under this section to any Federal agency.

(b) Unnecessary requirements prohibited

Any requirements established by the Secretary with respect to grants under this section may be only such requirements as are necessary to assure that such grants are expended solely to carry out duties and responsibilities referred to in subsection (a) of this section or such as are otherwise required by law.

(c) Application for grant

No grant may be made under this section unless an application for such grant is submitted to the Secretary in such form and manner as the Secretary may require. The Secretary may not approve an application of a State utility regulatory commission or nonregulated electric utility unless such commission or nonregulated electric utility assures the Secretary that funds made available under this section will be in addition to, and not in substitution for, funds made available to such commission or nonregulated electric utility from other governmental sources.

(d) Apportionment of funds

The funds appropriated for purposes of this section shall be apportioned among the States

in such manner that grants made under this section in each State shall not exceed the lesser of—

- (1) the amount determined by dividing equally among all States the total amount available under this section for such grants, or
- (2) the amount which the Secretary is authorized to provide pursuant to subsections (b) and (c) of this section for such State.

AMENDMENTS

1978—Pub. L. 95-617 substituted provisions relating to grants to State utility regulatory commissions and nonregulated electric utilities for provisions authorizing appropriations to carry out this subchapter.

§ 6807a. Energy efficiency grants to State regulatory authorities

(a) Energy efficiency grants

The Secretary is authorized in accordance with the provisions of this section to provide grants to State regulatory authorities in an amount not to exceed \$250,000 per authority, for purposes of encouraging demand-side management including energy conservation, energy efficiency and load management techniques and for meeting the requirements of paragraphs (7), (8), and (9) of section 2621(d) of title 16 and as a means of meeting gas supply needs and to meet the requirements of paragraphs (3) and (4) of section 3203(b) of title 15. Such grants may be utilized by a State regulatory authority to provide financial assistance to nonprofit subgrantees of the Department of Energy’s Weatherization Assistance Program in order to facilitate participation by such subgrantees in proceedings of such regulatory authority to examine energy conservation, energy efficiency, or other demand-side management programs.

(b) Plan

A State regulatory authority wishing to receive a grant under this section shall submit a plan to the Secretary that specifies the actions such authority proposes to take that would achieve the purposes of this section.

(c) Secretarial action

(1) In determining whether, and in what amount, to provide a grant to a State regulatory authority under this section the Secretary shall consider, in addition to other appropriate factors, the actions proposed by the State regulatory authority to achieve the purposes of this section and to consider implementation of the ratemaking standards established in—

- (A) paragraphs (7), (8) and (9) of section 2621(d) of title 16; or
