

“(G) An identification and analysis of additional actions that the Department of Energy must take to—

“(i) complete submission of all plans required under such section 3021(b) for all such facilities;

“(ii) obtain the adoption of orders requiring compliance with all such plans; and

“(iii) develop mixed waste treatment capacity and technologies.”

§ 6939d. Public vessels

(a) Waste generated on public vessels

Any hazardous waste generated on a public vessel shall not be subject to the storage, manifest, inspection, or recordkeeping requirements of this chapter until such waste is transferred to a shore facility, unless—

(1) the waste is stored on the public vessel for more than 90 days after the public vessel is placed in reserve or is otherwise no longer in service; or

(2) the waste is transferred to another public vessel within the territorial waters of the United States and is stored on such vessel or another public vessel for more than 90 days after the date of transfer.

(b) Computation of storage period

For purposes of subsection (a) of this section, the 90-day period begins on the earlier of—

(1) the date on which the public vessel on which the waste was generated is placed in reserve or is otherwise no longer in service; or

(2) the date on which the waste is transferred from the public vessel on which the waste was generated to another public vessel within the territorial waters of the United States;

and continues, without interruption, as long as the waste is stored on the original public vessel (if in reserve or not in service) or another public vessel.

(c) Definitions

For purposes of this section:

(1) The term “public vessel” means a vessel owned or bareboat chartered and operated by the United States, or by a foreign nation, except when the vessel is engaged in commerce.

(2) The terms “in reserve” and “in service” have the meanings applicable to those terms under section 7293 and sections 7304 through 7308 of title 10 and regulations prescribed under those sections.

(d) Relationship to other law

Nothing in this section shall be construed as altering or otherwise affecting the provisions of section 7311 of title 10.

(Pub. L. 89-272, title II, §3022, as added Pub. L. 102-386, title I, §106(a), Oct. 6, 1992, 106 Stat. 1513.)

§ 6939e. Federally owned treatment works

(a) In general

For purposes of section 6903(27) of this title, the phrase “but does not include solid or dissolved material in domestic sewage” shall apply to any solid or dissolved material introduced by a source into a federally owned treatment works if—

(1) such solid or dissolved material is subject to a pretreatment standard under section 1317 of title 33, and the source is in compliance with such standard;

(2) for a solid or dissolved material for which a pretreatment standard has not been promulgated pursuant to section 1317 of title 33, the Administrator has promulgated a schedule for establishing such a pretreatment standard which would be applicable to such solid or dissolved material not later than 7 years after October 6, 1992, such standard is promulgated on or before the date established in the schedule, and after the effective date of such standard the source is in compliance with such standard;

(3) such solid or dissolved material is not covered by paragraph (1) or (2) and is not prohibited from land disposal under subsections¹ (d), (e), (f), or (g) of section 6924 of this title because such material has been treated in accordance with section 6924(m) of this title; or

(4) notwithstanding paragraphs¹ (1), (2), or (3), such solid or dissolved material is generated by a household or person which generates less than 100 kilograms of hazardous waste per month unless such solid or dissolved material would otherwise be an acutely hazardous waste and subject to standards, regulations, or other requirements under this chapter notwithstanding the quantity generated.

(b) Prohibition

It is unlawful to introduce into a federally owned treatment works any pollutant that is a hazardous waste.

(c) Enforcement

(1) Actions taken to enforce this section shall not require closure of a treatment works if the hazardous waste is removed or decontaminated and such removal or decontamination is adequate, in the discretion of the Administrator or, in the case of an authorized State, of the State, to protect human health and the environment.

(2) Nothing in this subsection shall be construed to prevent the Administrator or an authorized State from ordering the closure of a treatment works if the Administrator or State determines such closure is necessary for protection of human health and the environment.

(3) Nothing in this subsection shall be construed to affect any other enforcement authorities available to the Administrator or a State under this subchapter.

(d) “Federally owned treatment works” defined

For purposes of this section, the term “federally owned treatment works” means a facility that is owned and operated by a department, agency, or instrumentality of the Federal Government treating wastewater, a majority of which is domestic sewage, prior to discharge in accordance with a permit issued under section 1342 of title 33.

(e) Savings clause

Nothing in this section shall be construed as affecting any agreement, permit, or administrative or judicial order, or any condition or re-

¹ So in original. Probably should be singular.
