AMENDMENTS

1996—Subsec. (a)(1). Pub. L. 104-259 inserted at end “Residual radioactive material from a processing site designated under this subchapter may be disposed of at a facility licensed under title II under the administrative and technical requirements of such title. Disposal of such material at such a site in accordance with such requirements shall be considered to have been done in accordance with the administrative and technical requirements of this subchapter.”

1983—Subsec. (a)(2). Pub. L. 97-415, §18(b)(2), struck out provision that no such remedial action could be undertaken under this section before the promulgation by the Administrator of general standards pursuant to section 275 a. of the Atomic Energy Act of 1954.

Subsec. (a)(3). Pub. L. 97-415, §18(b)(1), added par. (3).

§ 7919. Rules

The Secretary may prescribe such rules consistent with the purposes of this chapter as he deems appropriate pursuant to title V of the Department of Energy Organization Act [42 U.S.C. 7191 et seq.].

§ 7920. Enforcement

(a) Civil penalty; appellate review; action to recover civil penalty; sovereign immunity; equitable remedies

(1) Any person who violates any provision of this subchapter or any cooperative agreement

entered into pursuant to this subchapter or any rule prescribed under this chapter concerning any designated processing site, disposition site, or remedial action shall be subject to an assessment by the Secretary of a civil penalty of not more than \$1,000 per day per violation. Such assessment shall be made by order after notice and an opportunity for a public hearing, pursuant to section 554 of title 5.

(2) Any person against whom a penalty is assessed under this section may, within sixty calendar days after the date of the order of the Secretary assessing such penalty, institute an action in the United States court of appeals for the appropriate judicial circuit for judicial review of such order in accordance with chapter 7 of title 5. The court shall have jurisdiction to enter a judgment affirming, modifying, or setting aside in whole or in part, the order of the Secretary, or the court may remand the proceeding to the Secretary for such further action as the court may direct.

(3) If any person fails to pay an assessment of a civil penalty after it has become a final and unappealable order, the Secretary shall institute an action to recover the amount of such penalty in any appropriate district court of the United States. In such action, the validity and appropriateness of such final assessment order or judgment shall not be subject to review. Section 7172(d) of this title shall not apply with respect to the functions of the Secretary under this section.

(4) No civil penalty may be assessed against the United States or any State or political subdivision of a State or any official or employee of the foregoing.

(5) Nothing in this section shall prevent the Secretary from enforcing any provision of this subchapter or any cooperative agreement or any such rule by injunction or other equitable remedy.

(b) Atomic energy licensing requirements

Subsection (a) of this section shall not apply to any licensing requirement under the Atomic Energy Act of 1954 [42 U.S.C. 2011 et seq.]. Such licensing requirements shall be enforced by the Commission as provided in such Act.

(Pub. L. 95-604, title I, §110, Nov. 8, 1978, 92 Stat. 3030.)

§ 7921. Public participation; public hearings

In carrying out the provisions of this subchapter, including the designation of processing sites, establishing priorities for such sites, the selection of remedial actions, and the execution

of cooperative agreements, the Secretary, the Administrator, and the Commission shall encourage public participation and, where appropriate, the Secretary shall hold public hearings relative to such matters in the States where processing sites and disposal sites are located.

(Pub. L. 95-604, title I, § 111, Nov. 8, 1978, 92 Stat. 3031.)

§ 7922. Termination of authority of Secretary

(a) Exceptions; “byproduct material” defined

(1) The authority of the Secretary to perform remedial action under this subchapter shall terminate on September 30, 1998, except that—

(A) the authority of the Secretary to perform groundwater restoration activities under this subchapter is without limitation, and

(B) the Secretary may continue operation of the disposal site in Mesa County, Colorado (known as the Cheney disposal cell) for receiving and disposing of residual radioactive material from processing sites and of byproduct material from property in the vicinity of the uranium milling site located in Monticello, Utah, until the Cheney disposal cell has been filled to the capacity for which it was designed, or September 30, 2023, whichever comes first.

(2) For purposes of this subsection, the term “byproduct material” has the meaning given that term in section 2014(e)(2) of this title.

(b) Authorization of appropriations

The amounts authorized to be appropriated to carry out the purposes of this subchapter by the Secretary, the Administrator, the Commission, and the Secretary of the Interior shall not exceed such amounts as are established in annual authorization Acts for fiscal year 1979 and each fiscal year thereafter applicable to the Department of Energy. Any sums appropriated for the purposes of this subchapter shall be available until expended.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-259 amended subsec. (a) generally. Prior to amendment, subsec. (a) read as follows: “The authority of the Secretary to perform remedial action under this subchapter shall terminate on September 30, 1996, except that the authority of the Secretary to perform groundwater restoration activities under this subchapter is without limitation.”

1992—Subsec. (a). Pub. L. 102-486 substituted “1996” for “1994”.

1988—Subsec. (a). Pub. L. 100-616 amended subsec. (a) generally. Prior to amendment, subsec. (a) read as follows: “The authority of the Secretary to perform remedial action under this subchapter shall terminate on the date seven years after the date of promulgation by the Administrator of general standards applicable to such remedial action unless such termination date is specifically extended by an Act of Congress enacted after November 8, 1978.”

§ 7923. Limitation of contractual authority

The authority under this subchapter to enter into contracts or other obligations requiring the

United States to make outlays may be exercised only to the extent provided in advance in annual authorization and appropriation Acts.

(Pub. L. 95-604, title I, § 113, Nov. 8, 1978, 92 Stat. 3031.)

§ 7924. Reports to Congress

(a) Information; consultations; separate official views; partial report concerning uranium mill tailings provisions

Beginning on January 1, 1980, and each year thereafter until January 1, 1986, the Secretary shall submit a report to the Congress with respect to the status of the actions required to be taken by the Secretary, the Commission, the Secretary of the Interior, the Administrator, and the States and Indian tribes under this chapter and any amendments to other laws made by this Act. Each report shall—

(1) include data on the actual and estimated costs of the program authorized by this subchapter;

(2) describe the extent of participation by the States and Indian tribes in this program;

(3) evaluate the effectiveness of remedial actions, and describe any problems associated with the performance of such actions; and

(4) contain such other information as may be appropriate.

Such report shall be prepared in consultation with the Commission, the Secretary of the Interior, and the Administrator and shall contain their separate views, comments, and recommendations, if any. The Commission shall submit to the Secretary and Congress such portion of the report under this subsection as relates to the authorities of the Commission under title II of this Act.

(b) Identification of sites; Federal agency jurisdiction; contents; duplication prohibition; use and cooperation respecting other Federal agency information

Not later than July 1, 1979, the Secretary shall provide a report to the Congress which identifies all sites located on public or acquired lands of the United States containing residual radioactive materials and other radioactive¹ waste (other than waste resulting from the production of electric energy) and specifies which Federal agency has jurisdiction over such sites. The report shall include the identity of property and other structures in the vicinity of such site that are contaminated or may be contaminated by such materials and the actions planned or taken to remove such materials. The report shall describe in what manner such sites are adequately stabilized and otherwise controlled to prevent radon diffusion from such sites into the environment and other environmental harm. If any site is not so stabilized or controlled, the report shall describe the remedial actions planned for such site and the time frame for performing such actions. In preparing the reports under this section, the Secretary shall avoid duplication of previous or ongoing studies and shall utilize all information available from other departments and agencies of the United States respecting the
