§ 8011. Revised congregate housing services program**(a) Findings and purposes****(1) Findings**

The Congress finds that—

(A) the effective provision of congregate services may require the redesign of units and buildings to meet the special physical needs of the frail elderly persons and the creation of congregate space to accommodate services that enhance independent living;

(B) congregate housing, coordinated with the delivery of supportive services, offers an innovative, proven, and cost-effective means of enabling frail older persons and persons with disabilities to maintain their dignity and independence;

(C) independent living with assistance is a preferable housing alternative to institutionalization for many frail older persons and persons with disabilities;

(D) 365,000 persons in federally assisted housing experience some form of frailty, and the number is expected to increase as the general population ages;

(E) an estimated 20 to 30 percent of older adults living in federally assisted housing experience some form of frailty;

(F) a large and growing number of frail elderly residents face premature or unnecessary institutionalization because of the absence of or deficiencies in the availability, adequacy, coordination, or delivery of supportive services;

(G) the support service needs of frail residents of assisted housing are beyond the resources and experience that housing managers have for meeting such needs;

(H) supportive services would promote the invaluable option of independent living for nonelderly persons with disabilities in federally assisted housing;

(I) approximately 25 percent of congregate housing services program sites provide congregate services to young individuals with disabilities;

(J) to the extent that institutionalized older adults do not need the full costly support provided by such care, public moneys could be more effectively spent providing the necessary services in a noninstitutional setting; and

(K) the Congregate Housing Services Program, established by Congress in 1978, and similar programs providing in-home services have been effective in preventing unnecessary institutionalization and encouraging deinstitutionalization.

(2) Purposes

The purposes of this section are—

(A) to provide assistance to retrofit individual dwelling units and renovate public and common areas in eligible housing to meet the special physical needs of eligible residents;

(B) to create and rehabilitate congregate space in or adjacent to such housing to accommodate supportive services that enhance independent living;

(C) to improve the capacity of management to assess the service needs of eligible residents, coordinate the provision of supportive services that meet the needs of eligible residents and ensure the long-term provision of such services;

(D) to provide services in federally assisted housing to prevent premature and inappropriate institutionalization in a manner that respects the dignity of the elderly and persons with disabilities;

(E) to provide readily available and efficient supportive services that provide a choice in supported living arrangements by utilizing the services of an on-site coordinator, with emphasis on maintaining a continuum of care for the vulnerable elderly;

(F) to improve the quality of life of older Americans living in federally assisted housing;

(G) to preserve the viability of existing affordable housing projects for lower-income older residents who are aging in place by assisting managers of such housing with the difficulties and challenges created by serving older residents;

(H) to develop partnerships between the Federal Government and State governments in providing services to the frail elderly and persons with disabilities; and

(I) to utilize Federal and State funds in a more cost-effective and humane way in serving the needs of older adults.

(b) Contracts for congregate services programs

(1) In general

The Secretary of Housing and Urban Development and the Secretary of Agriculture (through Administrator of the Farmers Home Administration) shall enter into contracts with States, Indian tribes, units of general local government and local nonprofit housing sponsors, utilizing any amounts appropriated under subsection (n) of this section—

(A) to provide congregate services programs for eligible project residents to promote and encourage maximum independence within a home environment for such residents capable of self-care with appropriate supportive services; or

Each contract between the Secretary concerned and a State, Indian tribe, or unit of general local government, or local nonprofit housing sponsor, shall be for a term of 5 years and shall be renewable at the expiration of the term, except as otherwise provided in this section.

(c) Reservation of amounts

(B) such renovation as is necessary to ensure that public and common areas are readily accessible to and usable by eligible residents;

(C) renovation, conversion, or combination of vacant dwelling units to create congregate space to accommodate the provision of supportive services to eligible residents;

(D) renovation of existing congregate space to accommodate the provision of supportive services to eligible residents; and

Such qualifications and standards shall include requiring each service coordinator to be trained in the aging process, elder services, disability services, eligibility for and procedures of Federal and applicable State entitlement programs, legal liability issues relating to providing service coordination, drug and alcohol use and abuse by the elderly, and mental health issues. (4) Eligibility of other residents

The elderly and persons with disabilities who reside in an eligible housing project other than eligible project residents under paragraph (1) may receive services from a congregate services program under this section if the housing managers, congregate service coordinators, and the professional assessment committee jointly determine that the partici-

pation of such individuals will not negatively affect the provision of services to eligible project residents. Residents eligible for services under this paragraph shall pay fees as provided under subsection (d) of this section.

(5) Eligibility of nonresidents

- (1) owners of eligible housing;
- (2) States that submit applications in behalf of owners of eligible housing; and
