

Subsec. (h). Pub. L. 87-554 repealed subsec. (h) requiring the establishment of the revolving fund on the books of the Treasury Department, limiting appropriation authorization for revolving fund capital to \$50,000,000 and permitting the transfer of certain funds to provide adequate capital for the fund.

1959—Subsec. (a). Pub. L. 86-372, § 702(a), authorized acquisition of any housing situated adjacent to a military installation which was completed prior to July 1, 1952, certified by the Department of Defense, prior to construction, as being necessary to meet an existing military family housing need and considered as military housing by the Federal Housing Commissioner, and financed with mortgages insured under section 207 of the National Housing Act.

Subsec. (b). Pub. L. 86-372, § 702(b), substituted “any housing described in clause (1) or (2) of subsection (a) of this section” for “any housing constructed under the mortgage insurance provisions of sections 1748 to 1748h of title 12 (as in effect prior to Aug. 11, 1955)”.

Subsec. (c)(2). Pub. L. 86-372, § 703, required the amount of the deposit in any case where the sponsor or owner has not certified the cost of the project to be determined with a view toward accurately estimating the equity of the sponsor or owner.

1957—Subsec. (a). Pub. L. 85-104 substituted “representing the estimated cost of repairs and replacements necessary to restore the property to sound physical condition” for “for physical depreciation”.
