AMENDMENTS

1995—Pub. L. 104-66 which directed the amendment of this section by substituting “As part of the annual report required under section 231u(a) of this title” for “On or before July 1, 1985, and each calendar year thereafter”, was executed by making the substitution for “On or before July 1 of 1985, and of each calendar year thereafter”, to reflect the probable intent of Congress.

1986—Par. (1). Pub. L. 99-514 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”.

§ 231g. Court jurisdiction

Decisions of the Board determining the rights or liabilities of any person under this subchapter shall be subject to judicial review in the same manner, subject to the same limitations, and all provisions of law shall apply in the same manner as though the decision were a determination of corresponding rights or liabilities under the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.] except that the time within which proceedings for the review of a decision with respect to an annuity, supplemental annuity, or lump-sum benefit may be commenced shall be one year after the decision will have been entered upon the records of the Board and communicated to the claimant.

§ 231h. Returns of compensation; conclusiveness

Employers shall file with the Board, in such manner and form and at such times as the Board by rules and regulations may prescribe, returns

of compensation of employees, and, if the Board shall so require, shall furnish employees with statements of their compensation as reported to the Board. The Board's record of the compensation so returned shall be conclusive as to the amount of compensation paid to an employee during each period covered by the return, and the fact that the Board's records show that no return was made of the compensation claimed to have been paid to an employee during a particular period shall be taken as conclusive that no compensation was paid to such employee during that period, unless the error in the amount of compensation returned in the one case, or the failure to make return of the compensation in the other case, is called to the attention of the Board within four years after the day on which return of the compensation was required to be made.

§ 231i. Erroneous payments

(a) Recovery

If the Board finds that at any time more than the correct amount of annuities or other benefits has been paid to any individual under this subchapter, or payment has been made to an individual not entitled thereto, recovery by adjustment in subsequent payments to which such individual, or any other individual on the basis of the same compensation, wages, or self-employment income, is entitled under this subchapter, or the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.] may, except as otherwise provided in this section, be made under regulations prescribed by the Board. If the individual to whom more than the correct amount has been paid dies before recovery is completed, recovery may be made by setoff or adjustments, under regulations prescribed by the Board, in subsequent payments due, under this subchapter, or the Railroad Unemployment Insurance Act, to the estate of such individual or to any person on the basis of the compensation, wages, or self-employment income of such individual. The Board shall have the authority to recover from any payment which would be made to an individual by the Board under section 231f(b)(2) of this title the amount of annuity payments made to such individual which are erroneous because of such individual's entitlement to monthly insurance benefits under title II of the Social Security Act [42 U.S.C. 401 et seq.].

(b) Adjustments

Adjustments under this section may be made either by deductions from subsequent payments or, with respect to payments which are to be made during a lifetime or lifetimes, by subtracting the total amount of annuities or other benefits paid in excess of the proper amount from the actuarial value, as determined by the Board, of such payments to be made during a lifetime or lifetimes and recertifying such payments on the basis of the reduced actuarial value. In the latter case, recovery shall be deemed to have been completed upon such recertification.

(c) Decision not to recover

There shall be no recovery in any case in which more than the correct amount of annuities or other benefits has been paid under this subchapter to an individual or payment has been made to an individual not entitled thereto who, in the judgment of the Board, is without fault when, in the judgment of the Board, recovery would be contrary to the purpose of this subchapter or the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.] or would be against equity or good conscience.

(d) Liability of officers

No certifying or disbursing officer shall be held liable for any amount certified or paid by him in good faith to any person where the recovery of such amount is waived under subsection (c) of this section or has been begun but cannot be completed under subsection (a) of this section.
