PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11343 of this title prior to the general amendment of this subtitle by Pub. L. 104-88, §102(a).

A prior section 11323, Pub. L. 95-473, Oct. 17, 1978, 92 Stat. 1433; Pub. L. 99-521, §10(a), (b)(1), Oct. 22, 1986, 100 Stat. 2997, related to limitation on ownership of other carriers by household goods freight forwarders, prior to the general amendment of this subtitle by Pub. L. 104-88, §102(a).

§ 11324. Consolidation, merger, and acquisition of control: conditions of approval

(a) The Board may begin a proceeding to approve and authorize a transaction referred to in section 11323 of this title on application of the person seeking that authority. When an application is filed with the Board, the Board shall notify the chief executive officer of each State in which property of the rail carriers involved in the proposed transaction is located and shall notify those rail carriers. The Board shall hold a public hearing unless the Board determines that a public hearing is not necessary in the public interest.

(b) In a proceeding under this section which involves the merger or control of at least two Class I railroads, as defined by the Board, the Board shall consider at least—

- (1) the effect of the proposed transaction on the adequacy of transportation to the public;
- (2) the effect on the public interest of including, or failing to include, other rail carriers in the area involved in the proposed transaction;
- (3) the total fixed charges that result from the proposed transaction;
- (4) the interest of rail carrier employees affected by the proposed transaction; and
- (5) whether the proposed transaction would have an adverse effect on competition among rail carriers in the affected region or in the national rail system.

(c) The Board shall approve and authorize a transaction under this section when it finds the transaction is consistent with the public interest. The Board may impose conditions governing the transaction, including the divestiture of parallel tracks or requiring the granting of trackage rights and access to other facilities. Any trackage rights and related conditions imposed to alleviate anticompetitive effects of the transaction shall provide for operating terms and compensation levels to ensure that such effects are alleviated. When the transaction contemplates a guaranty or assumption of payment of dividends or of fixed charges or will result in an increase of total fixed charges, the Board may approve and authorize the transaction only if it finds that the guaranty, assumption, or increase is consistent with the public interest. The Board may require inclusion of other rail carriers located in the area involved in the transaction if they apply for inclusion and the Board finds their inclusion to be consistent with the public interest.

(d) In a proceeding under this section which does not involve the merger or control of at least two Class I railroads, as defined by the

Board, the Board shall approve such an application unless it finds that—

(1) as a result of the transaction, there is likely to be substantial lessening of competition, creation of a monopoly, or restraint of trade in freight surface transportation in any region of the United States; and

(2) the anticompetitive effects of the transaction outweigh the public interest in meeting significant transportation needs.

In making such findings, the Board shall, with respect to any application that is part of a plan or proposal developed under section 333(a)-(d) of this title, accord substantial weight to any recommendations of the Attorney General.

(e) No transaction described in section 11326(b) may have the effect of avoiding a collective bargaining agreement or shifting work from a rail carrier with a collective bargaining agreement to a rail carrier without a collective bargaining agreement.

(f)(1) To the extent provided in this subsection, a proceeding under this subchapter relating to a transaction involving at least one Class I rail carrier shall not be considered an adjudication required by statute to be determined on the record after opportunity for an agency hearing, for the purposes of subchapter II of chapter 5 of title 5, United States Code.

(2) Ex parte communications, as defined in section 551(14) of title 5, United States Code, shall be permitted in proceedings described in paragraph (1) of this subsection, subject to the requirements of paragraph (3) of this subsection.

(3)(A) Any member or employee of the Board who makes or receives a written ex parte communication concerning the merits of a proceeding described in paragraph (1) shall promptly place the communication in the public docket of the proceeding.

(B) Any member or employee of the Board who makes or receives an oral ex parte communication concerning the merits of a proceeding described in paragraph (1) shall promptly place a written summary of the oral communication in the public docket of the proceeding.

(4) Nothing in this subsection shall be construed to require the Board or any of its members or employees to engage in any ex parte communication with any person. Nothing in this subsection or any other law shall be construed to limit the authority of the members or employees of the Board, in their discretion, to note in the docket or otherwise publicly the occurrence and substance of an ex parte communication.

(a) The Board shall publish notice of the application under section 11324 in the Federal Register by the end of the 30th day after the application is filed with the Board. However, if the

application is incomplete, the Board shall reject it by the end of that period. The order of rejection is a final action of the Board. The published notice shall indicate whether the application involves—

(1) the merger or control of at least two Class I railroads, as defined by the Board, to be decided within the time limits specified in subsection (b) of this section;

(2) transactions of regional or national transportation significance, to be decided within the time limits specified in subsection (c) of this section; or

(3) any other transaction covered by this section, to be decided within the time limits specified in subsection (d) of this section.

(b) If the application involves the merger or control of two or more Class I railroads, as defined by the Board, the following conditions apply:

(1) Written comments about an application may be filed with the Board within 45 days after notice of the application is published under subsection (a) of this section. Copies of such comments shall be served on the Attorney General and the Secretary of Transportation, who may decide to intervene as a party to the proceeding. That decision must be made by the 15th day after the date of receipt of the written comments, and if the decision is to intervene, preliminary comments about the application must be sent to the Board by the end of the 15th day after the date of receipt of the written comments.

(2) The Board shall require that applications inconsistent with an application, notice of which was published under subsection (a) of this section, and applications for inclusion in the transaction, be filed with it by the 90th day after publication of notice under that subsection.

(3) The Board must conclude evidentiary proceedings by the end of 1 year after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 90th day after the date on which it concludes the evidentiary proceedings.

(c) If the application involves a transaction other than the merger or control of at least two Class I railroads, as defined by the Board, which the Board has determined to be of regional or national transportation significance, the following conditions apply:

(1) Written comments about an application, including comments of the Attorney General and the Secretary of Transportation, may be filed with the Board within 30 days after notice of the application is published under subsection (a) of this section.

(2) The Board shall require that applications inconsistent with an application, notice of which was published under subsection (a) of this section, and applications for inclusion in the transaction, be filed with it by the 60th day after publication of notice under that subsection.

(3) The Board must conclude any evidentiary proceedings by the 180th day after the date of publication of notice under subsection (a) of this section. The Board must issue a final de-

cision by the 90th day after the date on which it concludes the evidentiary proceedings.

(d) For all applications under this section other than those specified in subsections (b) and (c) of this section, the following conditions apply:

(1) Written comments about an application, including comments of the Attorney General and the Secretary of Transportation, may be filed with the Board within 30 days after notice of the application is published under subsection (a) of this section.

(2) The Board must conclude any evidentiary proceedings by the 105th day after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 45th day after the date on which it concludes the evidentiary proceedings.

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 11345 of this title prior to the general amendment of this subtitle by Pub. L. 104-88, §102(a).

§ 11326. Employee protective arrangements in transactions involving rail carriers

(a) Except as otherwise provided in this section, when approval is sought for a transaction under sections 11324 and 11325 of this title, the Board shall require the rail carrier to provide a fair arrangement at least as protective of the interests of employees who are affected by the transaction as the terms imposed under section 5(2)(f) of the Interstate Commerce Act before February 5, 1976, and the terms established under section 24706(c)¹ of this title. Notwithstanding this part, the arrangement may be made by the rail carrier and the authorized representative of its employees. The arrangement and the order approving the transaction must require that the employees of the affected rail carrier will not be in a worse position related to their employment as a result of the transaction during the 4 years following the effective date of the final action of the Board (or if an employee was employed for a lesser period of time by the rail carrier before the action became effective, for that lesser period).

(b) When approval is sought under sections 11324 and 11325 for a transaction involving one Class II and one or more Class III rail carriers, there shall be an arrangement as required under subsection (a) of this section, except that such arrangement shall be limited to one year of severance pay, which shall not exceed the amount of earnings from the railroad employment of that employee during the 12-month period immediately preceding the date on which the application for approval of such transaction is filed with the Board. The amount of such severance pay shall be reduced by the amount of earnings from railroad employment of that employee with the acquiring carrier during the 12-month period immediately following the effective date of the transaction. The parties may agree to terms other than as provided in this subsection.
