

(c) Consultation

In establishing an energy park pursuant to subsection (a), the Secretary shall consult with—

- (1) the local government with jurisdiction over the land on which the energy park will be located;
- (2) the local governments of adjacent areas; and
- (3) any community reuse organization recognized by the Secretary at the former defense nuclear facility on which the energy park will be located.

(d) Report required

Not later than 120 days after January 7, 2011, the Secretary shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives a report on the implementation of the program under subsection (a). The report shall include such recommendations for additional legislative actions as the Secretary considers appropriate to facilitate the development of energy parks on former defense nuclear facilities.

(e) Defense nuclear facility defined

In this section, the term “defense nuclear facility” has the meaning given the term “Department of Energy defense nuclear facility” in section 2286g of title 42.

§ 2901. Findings

The 9/11 Commission has made the following recommendations:

(1) Strengthen “counter-proliferation” efforts

The United States should work with the international community to develop laws and an international legal regime with universal jurisdiction to enable any state in the world to capture, interdict, and prosecute smugglers of nuclear material.

(2) Expand the Proliferation Security Initiative

In carrying out the Proliferation Security Initiative, the United States should—

- (A) use intelligence and planning resources of the North Atlantic Treaty Organization (NATO) alliance;
- (B) make participation open to non-NATO countries; and
- (C) encourage Russia and the People’s Republic of China to participate.

(3) Support the Cooperative Threat Reduction program

The United States should expand, improve, increase resources for, and otherwise fully
