

through the Under Secretary for Intelligence and Analysis, shall submit to the congressional intelligence committees a report that—

(1) examines the feasibility and advisability of including the budget request for all intelligence activities of each intelligence component of the Department that predominantly support departmental missions, as designated by the Under Secretary for Intelligence and Analysis, in the Homeland Security Intelligence Program; and

(2) includes a plan to enhance the coordination of department-wide intelligence activities to achieve greater efficiencies in the performance of the Department of Homeland Security intelligence functions.

(c) Intelligence component of the Department

In this section, the term “intelligence component of the Department” has the meaning given that term in section 101 of this title.

(Pub. L. 113–293, title III, §324, Dec. 19, 2014, 128 Stat. 4004.)

CODIFICATION

Section was enacted as part of the Intelligence Authorization Act for Fiscal Year 2015, and not as part of the Homeland Security Act of 2002 which comprises this chapter.

DEFINITIONS

“Congressional intelligence committees” means the Select Committee on Intelligence of the Senate and the Permanent Select Committee on Intelligence of the House of Representatives, see section 2 of Pub. L. 113–293, set out as a note under section 3003 of Title 50, War and National Defense.

PART B—CRITICAL INFRASTRUCTURE
INFORMATION

§ 131. Definitions

In this part:

(1) Agency

The term “agency” has the meaning given it in section 551 of title 5.

(2) Covered Federal agency

The term “covered Federal agency” means the Department of Homeland Security.

(3) Critical infrastructure information

The term “critical infrastructure information” means information not customarily in the public domain and related to the security of critical infrastructure or protected systems—

(A) actual, potential, or threatened interference with, attack on, compromise of, or incapacitation of critical infrastructure or protected systems by either physical or computer-based attack or other similar conduct (including the misuse of or unauthorized access to all types of communications and data transmission systems) that violates Federal, State, or local law, harms interstate commerce of the United States, or threatens public health or safety;

(B) the ability of any critical infrastructure or protected system to resist such interference, compromise, or incapacitation, including any planned or past assessment,

projection, or estimate of the vulnerability of critical infrastructure or a protected system, including security testing, risk evaluation thereto, risk management planning, or risk audit; or

(C) any planned or past operational problem or solution regarding critical infrastructure or protected systems, including repair, recovery, reconstruction, insurance, or continuity, to the extent it is related to such interference, compromise, or incapacitation.

(4) Critical infrastructure protection program

The term “critical infrastructure protection program” means any component or bureau of a covered Federal agency that has been designated by the President or any agency head to receive critical infrastructure information.

(5) Information Sharing and Analysis Organization

The term “Information Sharing and Analysis Organization” means any formal or informal entity or collaboration created or employed by public or private sector organizations, for purposes of—

(A) gathering and analyzing critical infrastructure information in order to better understand security problems and interdependencies related to critical infrastructure and protected systems, so as to ensure the availability, integrity, and reliability thereof;

(B) communicating or disclosing critical infrastructure information to help prevent, detect, mitigate, or recover from the effects of a¹ interference, compromise, or a² incapacitation problem related to critical infrastructure or protected systems; and

(C) voluntarily disseminating critical infrastructure information to its members, State, local, and Federal Governments, or any other entities that may be of assistance in carrying out the purposes specified in subparagraphs (A) and (B).

(6) Protected system

The term “protected system”—

(A) means any service, physical or computer-based system, process, or procedure that directly or indirectly affects the viability of a facility of critical infrastructure; and

(B) includes any physical or computer-based system, including a computer, computer system, computer or communications network, or any component hardware or element thereof, software program, processing instructions, or information or data in transmission or storage therein, irrespective of the medium of transmission or storage.

(7) Voluntary

(A) In general

The term “voluntary”, in the case of any submittal of critical infrastructure information to a covered Federal agency, means the submittal thereof in the absence of such agency’s exercise of legal authority to compel access to or submission of such informa-

tion and may be accomplished by a single entity or an Information Sharing and Analysis Organization on behalf of itself or its members.

(B) Exclusions

The term “voluntary”—

(i) in the case of any action brought under the securities laws as is defined in section 78c(a)(47) of title 15—

(I) does not include information or statements contained in any documents or materials filed with the Securities and Exchange Commission, or with Federal banking regulators, pursuant to section 78(i) of title 15; and

(II) with respect to the submittal of critical infrastructure information, does not include any disclosure or writing that when made accompanied the solicitation of an offer or a sale of securities; and

(ii) does not include information or statements submitted or relied upon as a basis for making licensing or permitting determinations, or during regulatory proceedings.

(Pub. L. 107–296, title II, §212, Nov. 25, 2002, 116 Stat. 2150.)

SHORT TITLE

For short title of this part as the “Critical Infrastructure Information Act of 2002”, see section 211 of Pub. L. 107–296, set out as a note under section 101 of this title.

§ 132. Designation of critical infrastructure protection program

A critical infrastructure protection program may be designated as such by one of the following:

- (1) The President.
- (2) The Secretary of Homeland Security.

(Pub. L. 107–296, title II, §213, Nov. 25, 2002, 116 Stat. 2152.)

§ 133. Protection of voluntarily shared critical infrastructure information

(a) Protection

(1) In general

Notwithstanding any other provision of law, critical infrastructure information (including the identity of the submitting person or entity) that is voluntarily submitted to a covered Federal agency for use by that agency regarding the security of critical infrastructure and protected systems, analysis, warning, interdependency study, recovery, reconstitution, or other informational purpose, when accompanied by an express statement specified in paragraph (2)—

(A) shall be exempt from disclosure under section 552 of title 5 (commonly referred to as the Freedom of Information Act);

(B) shall not be subject to any agency rules or judicial doctrine regarding ex parte communications with a decision making official;

(C) shall not, without the written consent of the person or entity submitting such in-

formation, be used directly by such agency, any other Federal, State, or local authority, or any third party, in any civil action arising under Federal or State law if such information is submitted in good faith;

(D) shall not, without the written consent of the person or entity submitting such information, be used or disclosed by any officer or employee of the United States for purposes other than the purposes of this part, except—

(i) in furtherance of an investigation or the prosecution of a criminal act; or

(ii) when disclosure of the information would be—

(I) to either House of Congress, or to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee thereof or subcommittee of any such joint committee; or

(II) to the Comptroller General, or any authorized representative of the Comptroller General, in the course of the performance of the duties of the Government Accountability Office.¹

(E) shall not, if provided to a State or local government or government agency—

(i) be made available pursuant to any State or local law requiring disclosure of information or records;

(ii) otherwise be disclosed or distributed to any party by said State or local government or government agency without the written consent of the person or entity submitting such information; or

(iii) be used other than for the purpose of protecting critical infrastructure or protected systems, or in furtherance of an investigation or the prosecution of a criminal act; and

(F) does not constitute a waiver of any applicable privilege or protection provided under law, such as trade secret protection.

(2) Express statement

For purposes of paragraph (1), the term “express statement”, with respect to information or records, means—

(A) in the case of written information or records, a written marking on the information or records substantially similar to the following: “This information is voluntarily submitted to the Federal Government in expectation of protection from disclosure as provided by the provisions of the Critical Infrastructure Information Act of 2002.”; or

(B) in the case of oral information, a similar written statement submitted within a reasonable period following the oral communication.

(b) Limitation

No communication of critical infrastructure information to a covered Federal agency made pursuant to this part shall be considered to be an action subject to the requirements of the Federal Advisory Committee Act.

¹ So in original. The period probably should be a semicolon.
