

(3) Loans of equipment

The Director may make or accept loans of equipment for research and development and comparative testing purposes.

(d) Foreign reimbursements

If the Science and Technology Homeland Security International Cooperative Programs Office participates in an international cooperative activity with a foreign partner on a cost-sharing basis, any reimbursements or contributions received from that foreign partner to meet its share of the project may be credited to appropriate current appropriations accounts of the Directorate of Science and Technology.

(e) Report to Congress on international cooperative activities

Not later than one year after August 3, 2007, and every 5 years thereafter, the Under Secretary, acting through the Director, shall submit to Congress a report containing—

(1) a brief description of each grant, cooperative agreement, or contract made or entered into under subsection (b)(3)(C), including the participants, goals, and amount and sources of funding; and

(2) a list of international cooperative activities underway, including the participants, goals, expected duration, and amount and sources of funding, including resources provided to support the activities in lieu of direct funding.

(f) Animal and zoonotic diseases

As part of the international cooperative activities authorized in this section, the Under Secretary, in coordination with the Chief Medical Officer, the Department of State, and appropriate officials of the Department of Agriculture, the Department of Defense, and the Department of Health and Human Services, may enter into cooperative activities with foreign countries, including African nations, to strengthen American preparedness against foreign animal and zoonotic diseases overseas that could harm the Nation's agricultural and public health sectors if they were to reach the United States.

(g) Construction; authorities of the Secretary of State

Nothing in this section shall be construed to alter or affect the following provisions of law:
