

(5) to foster higher levels of community engagement and support the expansion of national service and volunteer opportunities.

(c) Grants

(1) In general

In carrying out the Program, the Director of the National Institute of Food and Agriculture shall make competitive grants to eligible entities that carry out the purposes described in paragraphs (1) through (5) of subsection (b).

(2) Priorities

In making grants under this section, the Secretary may consider projects that are carried out by entities that—

- (A) have a proven track record in carrying out the purposes described in subsection (b);
- (B) work in underserved rural and urban communities;
- (C) teach and engage children in experiential learning about agriculture, gardening, nutrition, cooking, and where food comes from; and
- (D) facilitate a connection between elementary schools and secondary schools and agricultural producers in the local and regional area.

(d) Accountability

(1) In general

The Secretary may require a partner organization or other qualified entity to collect and report any data on the activities carried out under the Program, as determined by the Secretary.

(2) Evaluation

The Secretary shall—

- (A) conduct regular evaluations of the activities carried out under the Program; and
- (B) submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that includes a description of the results of each evaluation conducted under subparagraph (A).

(e) Funding

(1) Authorization of appropriations

There is authorized to be appropriated to carry out the Program \$25,000,000, to remain available until expended.

(2) Administration

Paragraphs (4), (7), (8), and (11)(B) of subsection (b) of section 450i(b) of this title shall apply with respect to the making of a competitive grant under this section.

(3) Maintenance of effort

Funds made available under paragraph (1) shall be used only to supplement, not to supplant, the amount of Federal funding otherwise expended for nutrition, research, and extension programs of the Department.

§ 7642. Food Animal Residue Avoidance Database program

(a) Continuation of program

The Secretary of Agriculture shall continue operation of the Food Animal Residue Avoidance Database program (referred to in this section as the “FARAD program”) through contracts, grants, or cooperative agreements with appropriate colleges or universities.

(b) Activities

In carrying out the FARAD program, the Secretary shall—

- (1) provide livestock producers, extension specialists, scientists, and veterinarians with information to prevent drug, pesticide, and environmental contaminant residues in food animal products;
- (2) maintain up-to-date information concerning—

(A) withdrawal times on FDA-approved food animal drugs and appropriate withdrawal intervals for drugs used in food animals in the United States, as established under section 360b(a) of title 21;

(B) official tolerances for drugs and pesticides in tissues, eggs, and milk;

(C) descriptions and sensitivities of rapid screening tests for detecting residues in tissues, eggs, and milk; and

(D) data on the distribution and fate of chemicals in food animals;

(3) publish periodically a compilation of food animal drugs approved by the Food and Drug Administration;

(4) make information on food animal drugs available to the public through handbooks and

other literature, computer software, a telephone hotline, and the Internet;

(5) furnish producer quality-assurance programs with up-to-date data on approved drugs;

(6) maintain a comprehensive and up-to-date, residue avoidance database;

(7) provide professional advice for determining the withdrawal times necessary for food safety in the use of drugs in food animals; and

(8) engage in other activities designed to promote food safety.

(c) Contract, grants, and cooperative agreements

The Secretary shall offer to enter into a contract, grant, or cooperative agreement with 1 or more appropriate colleges and universities to operate the FARAD program. The term of the contract, grant, or cooperative agreement shall be 3 years, with options to extend the term of the contract triennially.

(d) Indirect costs

Federal funds provided by the Secretary under a contract, grant, or cooperative agreement under this section shall be subject to reduction for indirect costs of the recipient of the funds in an amount not to exceed 19 percent of the total Federal funds provided under the contract, grant, or cooperative agreement.

(e) Authorization of appropriations

In addition to any other funds available to carry out subsection (c), there is authorized to be appropriated to carry out this section \$2,500,000 for each of fiscal years 2008 through 2018.
