There are authorized to be appropriated such sums as may be necessary to make payments to the Commodity Credit Corporation of its estimated or actual net costs of carrying out its functions hereunder. Such net costs in connection with the International Wheat Agreement, 1959, shall include those with respect to all transactions which qualify as commercial purchases (as defined in such agreement) from the United States by importing member countries. The Commodity Credit Corporation is authorized in carrying out its functions under this chapter to utilize, in advance of such appropriations or payments, any assets available to it.
