SUBCHAPTER I—NUTRITION MONITORING AND RELATED RESEARCH

§ 5311. Establishment of coordinated program

(a) In general

There is established a ten-year coordinated program, to be known as the National Nutrition Monitoring and Related Research Program, to carry out the purposes of this chapter.

(b) Implementation responsibility

The Secretaries shall be responsible for the implementation of the coordinated program.

(c) Establishment of Board

To assist in implementing the coordinated program, there is established an Interagency Board for Nutrition Monitoring and Related Research, of which an Assistant Secretary in the Department of Agriculture (designated by the Secretary of Agriculture) and an Assistant Secretary in the Department of Health and Human Services (designated by the Secretary of Health and Human Services) shall be joint chairpersons. The remaining membership of the Board shall consist of additional representatives of Federal agencies, as determined appropriate by the joint chairpersons of the Board. The Board shall meet no less often than once every three months for the two-year period following October 22, 1990, and when appropriate thereafter.

(d) Administrator

To establish a central focus and coordinator for the coordinated program, the Secretaries may appoint an Administrator of Nutrition Monitoring and Related Research. The Administrator shall—

(1) be an individual who is eminent in the field of nutrition monitoring and related areas and be selected on the basis of the established record of expertise and distinguished service of such individual; and

(2) administer the coordinated program with the advice and counsel of the joint chairpersons of the Board, serve as the focal point for the coordinated program, and serve as the Executive Secretary for the National Nutrition Monitoring Advisory Council.

(Pub. L. 101-445, title I, §101, Oct. 22, 1990, 104 Stat. 1035.)

§ 5311a. Joint nutrition monitoring and related research activities

The Secretary and the Secretary of Health and Human Services shall continue to provide jointly for national nutrition monitoring and related research activities carried out as of the date of enactment of this Act—

(1) to collect continuous dietary, health, physical activity, and diet and health knowledge data on a nationally representative sample;

(2) to periodically collect data on special at-risk populations, as identified by the Secretaries;

(3) to distribute information on health, nutrition, the environment, and physical activity to the public in a timely fashion;

(4) to analyze new data that becomes available;

(5) to continuously update food composition tables; and

(6) to research and develop data collection methods and standards.
